Bridge Housing Services at Bower Park RFP

SCORING METHODOLOGY

The scoring team for this RFP is comprised of select subject matter experts. The scoring team may be supported at various times during the evaluation by a panel of non-scoring subject matter experts. The scoring team will be required to independently review the proposal(s). The team will then convene and discuss the proposal(s) as it relates to the requirements listed in the RFP and come to a consensus score for each proposal. Any individual scores or notes developed outside the consensus scoring meetings are deemed draft and will be destroyed upon development of the final consensus score. The team is chaired by the assigned procurement officer. The team will meet several times over a period of weeks in order to make final recommendations.
