

# KidsCare Is Re-Instated Effective September 1, 2016

AHCCCS offers health insurance through KidsCare for eligible children (under age 19) who are not eligible for other AHCCCS health insurance. For those who qualify, there are monthly premiums.

Applications for KidsCare are being accepted beginning July 26, 2016 for coverage that will begin effective September 1, 2016.

Further details are available on the AHCCCS website at:

<https://www.azahcccs.gov/Members/GetCovered/Categories/KidsCare.HTML>

Verify eligibility and enrollment for KidsCare children to determine where to submit the claim. Claims for children eligible in KidsCare must be submitted to the **enrolled health plan**.

If the child is enrolled in a managed care plan and receives services from an IHS/638 provider, then the IHS/638 provider must bill the service to the managed care health plan, not to AHCCCS Fee-For Service or the American Indian Health Program (AIHP).

If the child is enrolled in FFS or AIHP, then submit the KidsCare claim to AHCCCS.
