Ms. Cynthia Leach
Administrator, Long Term Care
Mercy Care - LTC
4500 E Cotton Center Blvd
Phoenix, AZ 85040

Dear Ms. Leach:

Attached are the final results of the Encounter Data Validation studies for Mercy Care - LTC for Contract Year Ending (CYE) 2019. The review was conducted in accordance with Section D, Paragraph 68 of Contract YH18-0001-02 and the Encounter Data Validation Technical Document. The review scope included two sections: study "A" for all professional services and study "B" for all facility services. The studies measured:

- Claims included in the Contractor's claim submission and encountered in AHCCCS' Prepaid Medical Management Information System (PMMIS) (Match) – reviewed for accuracy and timeliness.
- Claims included in the Contractor's claim submission but not encountered in PMMIS (NotEnc InCIm) – reviewed for omission.
- Encounters reported in PMMIS but not included in the Contractor's claim submission (InEnc NotCIm) – reviewed for omission from claim submission file.

A preliminary report was provided to allow the Contractor the opportunity to review and submit any additional information that may have affected the final error rate calculations. After considering the Contractor response, the results have been applied to the total population of "A" and "B" encounters.

For study "A" Match, there were 2,134,481 encounter/claim matches identified from a sample size of 2,160,842 claims; a subsample of 150 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 2 accuracy errors and 2 timeliness errors, yielding an overall error rate of 1.33% for accuracy and 1.33% for timeliness. For study "B" Match, there were 90,974 encounter/claim matches identified from a sample size of 93,735 claims; a subsample of 150 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 2 accuracy errors and 4 timeliness errors, yielding an overall error rate of 1.33% for accuracy and 2.67% for timeliness.

For study "A" NotEnc InCIm, there were 26,361 possible omissions identified from a sample size of 2,160,842 claims; a subsample of 315 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 168 omission errors, yielding an overall error rate of 0.65%. For study "B" NotEnc InCIm, there were 2,761 possible omissions identified from a sample size of 93,735 claims; a subsample of 315 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 224 omission errors, yielding an overall error rate of 2.09%.

For study "A" InEnc NotCIm, there were 716 possible omissions identified from a sample size of 2,233,557 encounters; a subsample of 315 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 117 omission errors, yielding an overall error rate of 0.01%. For study "B" InEnc NotCIm, there were 102 possible omissions identified from a sample size of 95,427 encounters; a subsample of 102 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 24 omission errors, yielding an overall error rate of 0.03%.

For each study, if the error rate falls below the acceptable rate of 5%, no sanction will be applied. The Contractor's error rates and sanction amounts, if applicable, for each study are as follows:

STUDY	Error Rate	Sanction
A Match Accuracy	1.33%	\$0.00
A Match Timeliness	1.33%	\$0.00
A NotEnc InCIm	0.65%	\$0.00
A InEnc NotCIm	0.01%	\$0.00
B Match Accuracy	1.33%	\$0.00
B Match Timeliness	2.67%	\$0.00
B NotEnc InCIm	2.09%	\$0.00
B InEnc NotCIm	0.03%	\$0.00

Per the terms of the Contract, sanctions are not AHCCCS' exclusive remedy. In particular and without limiting possible future actions, if any legal action is brought against AHCCCS as the result of your non-compliance with the Contract, AHCCCS will seek compensation from you for any damages arising from such legal action including, but not limited to, AHCCCS' cost of representation, as well as the cost of any attorneys' fees and costs payable to the party bringing the action.

Within 24 hours of receipt of this letter, the final workpapers for each study will be uploaded to the Secured File Transfer Protocol (SFTP).

Thank you for your assistance with this Centers for Medicare and Medicaid Services (CMS) requirement. If you have any questions, please contact Linda Oakley at (602) 417-4308 or linda.oakley@azahcccs.gov.

Sincerely,
