7. THE ABOVE REFERENCED CONTRACT IS HEREBY AMENDED AS FOLLOWS:  Contract Sections:  ➤ <b>Scope of Work</b>  <b>3.4 Prior Period Coverage</b> AHCCCS provides Prior Period Coverage for <u>Title XIX/XXI</u> members for the period of time prior to the Title XIX/XXI member's enrollment during which the member is eligible for covered services. Prior Period Coverage refers to the time frame from the effective date of eligibility (usually the first day of the month of application) until the date the member is enrolled with the Contractor. The Contractor receives notification from AHCCCS of the member's enrollment. The Contractor is responsible for payment of all claims for medically necessary covered services provided to members during prior period coverage, including services provided prior to the Contract year in a Geographic Service Area where the Contractor was not contracted at the time of service delivery,. AHCCCS Fee-For-Service is responsible for the payment of claims for prior period coverage for members who are found eligible for AHCCCS initially through hospital presumptive eligibility and later are enrolled with the Contractor. Therefore, for those members, the Contractor is not responsible for Prior Period Coverage.  Prior Period Coverage for GMH/SU or Non-CMDP Child members who are initially eligible as Non-Title XIX/XXI and assigned to a RBHA and who transition to Title XIX/XXI eligibility:  1. The GMH/SU or Non-CMDP Child member retains behavioral health assignment with the RBHA Contractor through the Title XIX/XXI PPC period. 2. The GMH/SU or Non-CMDP Child member is enrolled with the AHCCCS Complete Care Contractor for physical health services through the Title XIX/XXI PPC period. 3. The RBHA Contractor is responsible for payment of all behavioral health claims for medically necessary Non-Title XIX/XXI and Title XIX/XXI behavioral health covered services provided to these GMH/SU or Non-CMDP Child members who are initially eligible as Non-Title XIX/XXI and assigned to a RBHA during the prior period coverage timeframe. 4. The AHCCCS Complete Care Contractor is responsible for payment of all physical health claims for medically necessary Title XIX/XXI physical health covered services during the PPC period and prospectively. 5. The member is enrolled with the AHCCCS Complete Care Contractor for both physical and behavioral health Title XIX/XXI services the day following the date AHCCCS is notified of the member's XIX/XXI eligibility.			

### 15.2 Performance Bond

**Amount of Performance Bond or Substitute Security:** The Contractor shall provide a Performance Bond or substitute security in an amount equal to or greater than ~~90~~<sup>100</sup>% of the total capitation payment (less premium tax) due to the Contractor in the first month of the Contract Year. The Contractor shall provide the Performance Bond or substitute security no later than 30 days following notification by AHCCCS of the amount. Thereafter, AHCCCS shall review the capitation amounts of the Contractor on a monthly basis to determine if the Performance Bond must be increased.

If the amount of the Performance Bond or substitute security falls below 90% of the monthly capitation amount (excluding premium tax), the amount of the performance bond or substitute security must be increased to at least 100% of the monthly capitation amount (excluding premium tax) no later than 30 days following notification by AHCCCS. The Contractor may not change the amount, duration or type of the performance bond or substitute security without prior written approval from AHCCCS, Division of Health Care Management. Refer to ACOM Policy 305 for more details.

### 15.6 Compensation

AHCCCS shall compensate the Contractor for services provided to Title XIX members during the Prior Period Coverage (PPC) time periods and to Title XIX/XXI members during the prospective time periods through capitation payments, special provisions for payment, and reinsurance as described and defined within this Contract and appropriate laws, regulations or policies [42 CFR 438.6(b)(1)] and the *Special Provisions for Payment and Reinsurance* Section of this Contract. Title XXI members are not eligible for PPC services. Capitation payments may only be made by the State and retained by the Contractor for Medicaid-eligible members [42 CFR 438.3(c)(2)].

See also Contract Section, *Enrollment and Disenrollment* for information regarding Prior Period Coverage for members transitioning to Title XIX/~~XXI~~ from RBHA Non-Title XIX/~~XXI~~ eligibility.

**Reconciliation of Title XIX/~~XXI~~ Behavioral Health PPC Expenses:** AHCCCS shall make a payment to the Contractor for Title XIX/~~XXI~~ behavioral health covered service medical expenses provided during the prior period coverage timeframe to GMH/SU and non-CMDP child members who are initially eligible as Non-Title XIX/~~XXI~~ and assigned to a RBHA and who then transition to Title XIX/~~XXI~~ eligibility. The payment shall include administrative funding and premium tax components. These expenses and revenue are excluded from any other reconciliation of the Contractor's service expenses.

AHCCCS will not include in the data provided to Actuaries for setting capitation rates encounters for Title XIX services billed by an IHS or a tribally owned or operated facility. Members enrolled with the Contractor who are initially found eligible for AHCCCS through Hospital Presumptive Eligibility will receive coverage of services during the prior period through AHCCCS Fee-For-Service. The capitation rates and Contractor Specific Requirements reflect that the Contractor is not responsible for the prior period cost of medically necessary covered services to those members. In conformance with ACOM Policy 323, AHCCCS shall reconcile the Contractor's service expenses to service revenue/net capitation paid to the Contractor for dates of service during the Contract Year being reconciled for the behavioral health categories/risk groups: CMDP Child, DDD Child, DDD Adult, SMI members not receiving physical health care services under this Contract, and SMI Integrated members receiving physical health care services under this Contract, Crisis Adult, and Crisis Child for purposes of limiting Contractor's profits and losses. It is the intent of AHCCCS that adjudicated encounter data will be used to determine service expenses.
