### How Do You Get Letters If You Become Homeless?

AHCCCS recommends that you sign up for electronic notifications. For email, you will need access to the Internet and an email address. For a text message notifying you that you have a letter waiting for you on the HealthArizonaplus website, you’ll need a telephone that can receive text messages. The local library usually has free internet access, and you can create a free email account at Yahoo.com or Gmail.com.

You can have your letters sent to a friend’s address, but it is important that your friend add your name to their address at the United States Post Office. Otherwise, your mail may be returned and your benefits may be stopped.

You can also sign up for a PO Box or General Delivery Service with a United States Post Office (USPS). To sign up for General Delivery Services visit your local post office. You will need a valid ID. Your mail will be held there for 30 days. Every 30 days you must ask for an extension at the General Delivery location. For more information visit [faq.usps.com/s/article/What-is-General-Delivery](http://faq.usps.com/s/article/What-is-General-Delivery).
