- a. This Notice describes changes to the Arizona Health Care Cost Containment System (AHCCCS) Fee-For-Service (FFS) rates to be effective for dates of service on and after January 1, 2018 to address the increased labor costs resulting from the Arizona minimum wage increase and employee benefit provisions mandated by Proposition 206, and the Flagstaff minimum wage increase mandated by Proposition 414 and later amended through action of the Flagstaff City Council. The total change in FFS payments as a result of the changes is an estimated increase of \$662,621 for the time period of January 1, 2018 through September 30, 2018.
- b. AHCCCS' Managed Care Organizations (MCOs) will be required to pass-through these rate increases effective with dates of service beginning January 1, 2018, for all services covered by this Notice and described below.
