3. Audio-only Code Committee Recommendations Re-review

Dr. Sara Salek

96116/96121: Group agrees these codes are better for face-to-face, audio only is insufficient.

96164-96165: group codes are difficult for audio only.

Reach out to Bryan Davey to see if he wants to send requests for ABA codes - 97156/97158.

No AMA requests needed for the behavioral health codes lists.

4. Best Practices and Literature Review

Dr. Sara Salek

The group to send any reports, best practices guidelines, or literature and send to Lauren.

Dr. Salek mentioned that Oregon literature review is proprietary and can't be shared.

5. Call to the Public
