

Non-Emergency Medical Transportation (NEMT) Policy Update

AMPM Policy 310- BB Transportation

Public Comment Posted until
December 30, 2017

Background

- AHCCCS maintains several documents that address medically necessary non-emergency medical transportation (NEMT)
- Identified a need to consistently define medically necessary NEMT within AMPM and other source documents
- No immediate change in process or coverage until policy is finalized

AMPM 310-BB

- Last update was in 2012
- Updates include the following:
- Clarification on emergency response and the ability to determine level of necessity
- Clarity and consistency with Rule

AMPM 310-BB

- Clarifies additional coverage: Medicare Part D prescriptions
- Clarifies additional coverage: Evidence based 12 Step programs
- Maternal and Newborn Transportation section
