### [Chiropractor Service Codes Update](#)

Effective November 1, 2023, the following codes were added to the Chiropractor tables and providers must have the Category of Service on their profile to submit these codes. If you need to update your profile, you will contact provider enrollment (APEP) as the medical coding unit does not update provider profiles.

If you are not aware, there are policy related published resources on our Medical Coding Resources page for you to view that may answer your questions. These are updated quarterly, and some are updated yearly.

Under the Reference Extracts you can find items related to CPT and HCPCS codes and their daily limits, Telehealth approved codes and modifiers allowed Fee for Service codes that require prior authorization and more.

Under Coding Related Exhibits and Policy Reference, you will find documents specifically coding related to specific policies. These include the SED and SMI diagnosis list, EPSDT Service Code lists as well as the CTDS School information list.
