SUBJECT: PT A5 - S5145 and S5109

Effective April 1, 2021, AHCCCS opened Code S5145 for Provider Types A5 to begin billing. This change was to replace the billing of code S5109.

However, due to miscommunication regarding this code, AHCCCS will allow PT A5 to bill S5109 or S5145 from 4/1/2021 through 09/30/2021.

Our system has been updated to allow either S5109 or S5145 to be submitted until 09/30/2021.

Effective with dates of service 10/01/2021 and after, PT A5 is only allowed to bill code S5145.
