

DETAILS OF UPDATED CRS DATA BOOK FILES

The CRS Specialty Care Data Book and CRS Behavioral Health Data Book Files have been updated as of November 29, 2012 to include utilization units that were excluded from the original Data Book Files. The CRS control total checks file has also been updated to reflect the excluded utilization units. All files can be found on the EFT/SFTP titled:

- Document C – Data Book Files CRS Specialty Care Cost and Utilization.txt
- Document C – Data Book Files CRS Behavioral Health Care Cost and Utilization.txt
- Document C – Supplemental Reports CRS Control Totals.pdf

Impacted service matrix category – CRS Specialty Care Data Book:

- Service Category 25: Clinic Visit/Encounter.

Impacted service matrix categories – CRS Behavioral Health Care Data Book:

- Service Category 3: Inpatient Hospital
- Service Category 4: Inpatient Sub Acute Facility
- Service Category 5: Inpatient RTC
- Service Category 6: Inpatient LOA

No other categories or Data Book Files were impacted.

No cost fields were impacted in any Data Book files.
