Ms. Maureen Casey
Assistant Director
DDD/DES
1789 West Jefferson, 4th Floor, Mail Drop 2HA1
Phoenix, AZ 85007

Dear Ms. Casey:

Attached are the final results of the Encounter Data Validation studies for DDD/DES for Contract Year Ending (CYE) 2015. The review was conducted in accordance with Section D, paragraph 74 of Contract YH6-0014 and the Encounter Data Validation Technical Document. The review scope includes two sections: ALTCS study “A” for Home Health, Therapies, and Personal Care and the ALTCS study “B” for Nursing Facilities. The studies measured:

- Claim included in the Contractor’s claim submission and encountered in AHCCCS’ Prepaid Medical Management Information System (PMMIS) (Match) – reviewed for accuracy and timeliness.
- Claims included in the Contractor’s claim submission but not encountered in PMMIS (NotEnc InClm) – reviewed for omission.
- Encounters reported in PMMIS but not included in the Contractor’s claim submission (InEnc NotClm) – reviewed for omission from claim submission file.

A preliminary report was provided to allow the Contractor the opportunity to review and submit any additional information that may have affected the final error rate calculations. After considering the Contractor response, the results have been applied to the total population of “A” and “B” encounters.

For study “A” Match, there were 9,938,396 encounter/claim matches identified from a sample size of 10,261,420 claims; a subsample of 153 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 0 accuracy errors and 0 timeliness errors, yielding an overall error rate of 0.00% for accuracy and 0.00% for timeliness. For study “B” Match, there were 95,139 encounter/claim matches identified from a sample size of 96,703 claims; a subsample of 153 was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 11 accuracy errors and 2 timeliness errors, yielding an overall error rate of 7.19% for accuracy and 1.31% for timeliness.

For study “A” NotEnc InClm, there were 323,024 possible omissions identified from a sample size of 10,261,420 claims; a subsample of 153 claims was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 11 omission errors, yielding an overall error rate of 0.11%. For study “B” NotEnc InClm, there were 1,564 possible omissions identified from a sample size of 96,703 claims; a subsample of 267 claims was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 92 omission errors, yielding an overall error rate of 0.56%.

Page 2

For study "A" InEnc NotCIm, there were 271,383 possible omissions identified from a sample size of 10,304,217 encounters; a subsample of 317 claims was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 4 omission errors, yielding an overall error rate of 0.03%. For study "B" InEnc NotCIm, there were 115 possible omissions identified from a sample size of 100,394 encounters; a subsample of 91 claims was randomly selected. AHCCCS manually compared the supporting information provided by the Contractor to the adjudicated encounters within PMMIS resulting in 9 omission errors, yielding an overall error rate of 0.01%.

For each study, if the error rate falls below the acceptable rate of 5%, no sanction will be applied. The Contractor's error rates and sanction amounts, if applicable, for each study are as follows:

STUDY	Error Rate	Sanction
A Match Accuracy	0.00%	\$0.00
A Match Timeliness	0.00%	\$0.00
A NotEnc InCIm	0.11%	\$0.00
A InEnc NotCIm	0.03%	\$0.00
B Match Accuracy	7.19%	\$748.83
B Match Timeliness	1.31%	\$0.00
B NotEnc InCIm	0.56%	\$0.00
B InEnc NotCIm	0.01%	\$0.00

Per the terms of the Contract, sanctions are not the Administration's exclusive remedy. In particular and without limiting possible future actions, if any legal action is brought against the Administration as the result of your non-compliance with the Contract, the Administration will seek compensation from you for any damages arising from such legal action including but not limited to the Administration's cost of representation as well as the cost of any attorneys' fees and costs payable to the party bringing the action.

Within 24 hours of receipt of this letter, the final workpapers for each study will be uploaded to the SFTP at <https://sftp.statemedicaid.us/DDD/OTHER/DHCM/OUT/>.

Thank you for your assistance with this Centers for Medicare and Medicaid Services (CMS) requirement. If you have any questions, please contact Linda Oakley at (602) 417-4308 or linda.oakley@azahcccs.gov.

Sincerely,
