Melanie Norton, Assistant Director
Arizona Health Care Cost Containment System (AHCCCS)
801 E. Jefferson MD 2600
Phoenix, AZ 85034

Dear Ms. Norton:

I am pleased to inform you that Arizona's Children's Health Insurance Program (CHIP) State Plan Amendment (SPA), AZ-13-0002, submitted on October 29, 2013, has been approved. This SPA incorporates the MAGI-based eligibility process requirements, including the single streamlined application, into Arizona's CHIP State Plan in accordance with the Affordable Care Act. The effective date of this SPA is October 1, 2013.

The approval of SPA AZ-13-0002, includes full approval of your alternative single streamlined application---both the paper and online versions.

Enclosed is a copy of the new state plan pages and attachments to be incorporated within Section 4 of Arizona's approved CHIP State Plan:

- CS24
- Alternative single, streamlined paper application
- An alternative paper application for multiple human service programs, including health insurance, SNAP, and TANF
- Health-e-Arizona Plus Medical Application Roadmap
- Health-e-Arizona Plus Online Flow Chart
- Key Differences between the Health-e-Arizona Plus online application and the CMS online application

This approval and the attachments supersede the following sections of the current CHIP State Plan:

- Section 4.3: Single, Streamlined Application Screen and Enroll Process
- Section 4.4: Renewals, Screening by Other Insurance Affordability Programs

This approval should not be read to address or resolve issues that may be raised by the HHS Office for Civil Rights (OCR) with respect to Arizona's Medicaid forms and procedures for processing Medicaid applications. Compliance with Federal civil rights laws is a condition of receipt of Medicaid funding, and is enforced by OCR. CMS sent comments to the state on behalf of OCR on August 09, 2013 and OCR officials met with Arizona State officials to discuss resolution of HHS OCR concerns on August 12, 2013. CMS is happy to provide technical assistance about Medicaid issues during the course of any subsequent discussions. Both CMS and OCR are committed to working together with Arizona to assist the State in presenting Marketplace options in a way that ensures that both Medicaid and civil rights issues are addressed.

CMS appreciates the significant amount of work your staff dedicated to preparing this State Plan Amendment. Your Title XXI project officer is Ms. Tonia Brown. She is available to answer questions concerning this amendment and other CHIP-related issues. Ms. Brown's contact information is as follows:
