Subject: Pima Community Access Program

Good Morning,

I am submitting this communication in Support of UAHN/UAHP "University Family Care" as they work toward the merger into Banner Health. UAHP and PCAP have developed and maintain a strong working relationship in Pima County and have done so for many years.

UAHP is a strong community partner and remains committed to the mission of serving its many AHCCCS members. UAHP provide a great service to our County and have great compassion for the population they serve.

PCAP is proud to support them through this process and their continued service to our community.

Best regards,
Michal Goforth
