Dear President Fann, Speaker Bowers, Mr. Stavneak, and Mr. Gress:

A.R.S. § 36-2903.08 includes the following requirement:

On or before August 1, 2014, and annually thereafter, the Arizona Health Care Cost Containment System (AHCCCS) Administration shall report to the Speaker of the House of Representatives, the President of the Senate and the directors of the Joint Legislative Budget Committee and the Governor's Office of Strategic Planning and Budgeting the following:

1. The amount each hospital contributed for the hospital assessment authorized pursuant to section 36-2901.08 in the previous fiscal year.
2. The amount of estimated payments each hospital received from the coverage funded by the assessment.

Please find enclosed the amount each hospital contributed for the hospital assessment in State Fiscal Year (SFY) 2019.

Health care providers typically take some time to submit health care claims to payers (e.g., AHCCCS contracted health plans). Payers must then review and adjudicate the claims. Following that process, the adjudicated claims are reported to AHCCCS by the health plans. Thus, it can take 3-6 months before the claims data appears in AHCCCS' database. Because of this lag, there is insufficient data available at this time to provide the estimated payments each hospital received for coverage funded by the assessment. It is AHCCCS' intent to provide that information by February 28, 2020.

Please feel free to contact Amy Upston, Hospital Finance Administrator, at (602) 417-4146 or via email at Amy.Upston@azahcccs.gov if you have questions about this report.

Sincerely,
