

Learn about AHCCCS' Upcoming Initiatives

The Arizona Health Care Cost Containment System (AHCCCS) is hosting an online community forum to inform the community and gather feedback on upcoming AHCCCS initiatives.

Topics: Community Health Worker/Community Health Representative (CHW/CHR) Organizations and Services, H2O Enhanced Shelter Rate, and Olmstead Updates.

We look forward to hearing from AHCCCS members, family members, advocates, community members, providers, and stakeholders at this month's community forum.
