2. **The topic of the public information notice:**

AHCCCS Fee-For-Service (FFS) rates for Home and Community-Based Services to be effective for dates of service on and after January 1, 2021.

3. **The public information relating to the topic:**

- a. This Notice describes changes to the Arizona Health Care Cost Containment System (AHCCCS) Fee-For-Service (FFS) rates to be effective for dates of service on and after January 1, 2021 to address the increased labor costs resulting from the Arizona minimum wage increase and employee benefit provisions mandated by Proposition 206, and the Flagstaff minimum wage increase mandated by Proposition 414 and later amended through action of the Flagstaff City Council. The total change in FFS payments as a result of the changes is an estimated increase of \$202,351 for the time period of January 1, 2021 through September 30, 2021.
- b. In addition to the above, an increase of .64% has been added to the rates in order to ensure that provider rates are sufficient to maintain access to care. The total change in FFS payments as a result of this change is an estimated increase of \$361,349 for the time period of January 1, 2021 through September 30, 2021.
- c. The cumulative statewide rate increase is 1.00% and the cumulative Flagstaff rate increase is 5.07%.
- d. AHCCCS' Managed Care Organizations (MCOs) will be required to implement these rate increases effective with dates of service beginning January 1, 2021, for all services covered by this Notice and described below.
