From: "Centene-WellCareMerger@azahcccs.gov" <Centene-WellCareMerger@azahcccs.gov>

My adult daughter is disabled (SMI - severely mentally ill) and highly depends on her health coverage with AHCCCS. She is not able to live on her own and also receives disability payments each month. It is extremely important that she be able to keep her AHCCCS health coverage plan, should this merger take place.

Thank you,
