

ARIZONA'S STATE MEDICAID AGENCY

Celebrating 40 Years in 2022

Largest insurer in Arizona, covering more than **2.3 million** individuals.

AHCCCS covers more than **52 percent** of all births in the state,

and **two-thirds** of nursing facility days.

AHCCCS uses **federal, state, county and other funds** to provide health care coverage to the state's Medicaid population.

114,500 health care providers are registered with AHCCCS.

Managed care payments are made to **15 contracted health plans** that are responsible for the delivery of health care services to members.

National Leader in Innovation, Quality, and Cost Containment

2,472 members in permanent, supportive housing, with an avg. cost savings of **\$5,563** per member per month, a 31% reduction in ED visits and a 44% decrease in in-patient admissions.

One of the **lowest per-enrollee costs** among states at only \$7,439 per-enrollee vs. the national average of \$8,621 per-enrollee.

91% of members participating in the Arizona Long Term Care System (ALTCS) receive services in their own home or a community based setting, saving the state more than **\$2 billion** each year.
