

## ENCOUNTER MONTHLY DATA FILE

The monthly AHCCCS file plan extracts, for which plans may compare financial data on encounter with plan claims data, are available on the SFTP server by the 15th of the month at the following path: sftp.statemedicaid.us\xxx\prod\out\ENC\_wwwwww\_nnnnnn.zip (where xxx is the three character plan mnemonic, nnnnnn is the health plan ID, and wwwwww is the encounter file extract). wwwwww stands for four file extracts: ADJ is adjudicated/approved [status 31] encounters; DENIED is adjudicated/denied [status 43] by plan encounters; PEND is pended [status 11] encounters; and VOID is adjudicated/voided [status 32] encounters. The record layout for these files is below, and the website is: [http://www.azahcccs.gov/commercial/Downloads/Encounters/adjudication/Encounter\\_Monthly\\_Data\\_File.pdf](http://www.azahcccs.gov/commercial/Downloads/Encounters/adjudication/Encounter_Monthly_Data_File.pdf)
