Transaction Notes (P/I/D)

We are releasing the following documents to the AHCCCS Health Plans to assist them with their analysis of the upcoming 837 Encounter 5010 Changes. These are being placed on the Internet. They are available in an Excel format if you would like to copy them to assist you in your analysis.

#	Name	Description
1	AZ 837P ENC Transaction Notes v20110504 DRAFT.xls	837 Professional Transaction Notes. This is approximately 95% complete. It is being reviewed, finalized, and incorporated into the Companion Guide.
2	AZ 837I ENC Transaction Notes v20110504 cms side by side.xls	837 Institutional Transaction Notes. This is copy of the CMS side by side that is publicly available. AHCCCS will update the Note and Usage columns in the next several weeks and will incorporate into the Companion Guide.
3	AZ 837D ENC Transaction Notes v20110504 Template.xls	837 Dental Transaction Notes. This is only a template. No side by side was provided so this will need to be created from scratch by AHCCCS. This will be created and the Note and Usage columns will be updated in the next several weeks and will be incorporated into the Companion Guide.
