Update, January 2012

This memo describes additions to the ACOM Manual for the month of January

- Chapter 100, Policy 101 - **MARKETING, OUTREACH AND RETENTION**
The revision eliminates the need for AHCCCS to approve Medicare marketing material as the material has already been approved by CMS.
- Chapter 400, Policy 419 – **ALTCS Network Standards**
The policy revisions incorporated the changes made during the ALTCS RFP for posting to the AHCCCS Website.
