Re: Site visit to Group Home, Phoenix, 85021

To whom it may concern:

On behalf to the Maricopa County Human Rights Committee for the Mentally Ill, I thank you for assisting us in our December 9th visit to 9606 NORTH 12TH AVENUE. We appreciated meeting with your site supervisor.

Our Committee conducts random and unannounced site visits monthly to allow our members to interact directly with recipients of services and to be sure they are aware of our committee in case they need help resolving issues of importance to them.

We were pleased by the care you showed to the residents. Also, the resident we spoke with seemed to be pleased with the housing he is receiving. In general, our team was impressed with the openness, willingness to share information and concern for the clients. Thank you for your time.

If you or your administrative supervisors have any questions, please feel free to contact us anytime.

Sincerely,

Scott Gormley – Chair
