What is a Peer-Run Organization?

Peer-run organizations are service providers owned, operated and administrated by persons with lived experiences of mental health and/or substance use disorders. These organizations are based in the community and provide support services. AHCCCS members have the right to request services provided by and/or participate in programs at a peer-run organization.

Here are some of the things you can find at a peer-run organization:

- 1-on-1 peer support
- Daily support groups
- Social outings
- Meals
- Employment programs
- Learning opportunities
- Health and exercise programs
- Creative arts
- Resources
- Advocacy
- Volunteer opportunities
- Meeting new people
- Personal development, and
- Empowerment
- Youth and young-adult programs
- Extended hours and/or weekends

How to Access Services from a Peer-Run Organization

1. Contact a peer-run organization in your area to learn what services they offer.
2. Request the service be added to your service plan at the peer-run organization of your choice. Once the service has been requested, services should be initiated within 45 days.
