

What is a Peer-Run Organization?

Peer-run organizations are service providers owned, operated and administrated by persons with lived experiences of mental health and/or substance use disorders. These organizations are based in the community and provide support services.

Here are some of the things you can find at a peer-run organization:

- Meals
- Employment programs
- Learning opportunities
- Health and exercise programs
- Creative arts
- Resources

- Empowerment
- Extended hours and/or weekends
