

System Navigation: Housing Supports

AHCCCS OIFA invites you to attend a virtual event to learn about system navigation tools that can help you take control of your health care.

May 27, 2025
Noon – 12:30 p.m.
Online through Teams

Join us to learn more about Housing Supports available to members with a Serious Mental Illness (SMI) designation, and a limited number of members with General Mental Health/Substance Use (GMH/SU) behavioral health needs. Safe, stable, secure housing is a basic need that impacts every aspect of physical and mental health. Although the federal Medicaid program does not pay for housing, the State of Arizona allocates limited funding to AHCCCS to provide housing subsidies

All AHCCCS members, family members, and stakeholders are welcome to attend.
