

System Navigation: Arnold V. Sarn

AHCCCS OIFA invites you to attend a virtual event to learn about system navigation tools that can help you take control of your health care.

March 24, 2026
Noon – 12:30 p.m.
Online through Zoom

Arnold v. Sarn was a class action lawsuit filed in 1981 against the Arizona Department of Health Services (ADHS) and Maricopa County alleging that adults with a serious mental illness in Maricopa County were not receiving the services that Arizona law required. Join us to learn how this decision helped to shape the Arizona mental health system and expand services in Maricopa County for individuals with a serious mental illness.
