

AHCCCS Differential Adjusted Payment (DAP) CYE 2024 Final Public Notice (Revised 4/6/2023)

Overview and Purpose

The AHCCCS administration is publishing final decisions for Differential Adjusted Payments (DAP) strategies to be implemented in contract year October 1, 2023, through September 30, 2024 (CYE 2024) for select AHCCCS registered Arizona providers that meet agency established performance criteria.

The DAP rates are to be implemented to ensure that payments are consistent with efficiency, economy, and quality of care and are sufficient to enlist enough providers so that care and services are available at least to the same extent that they are available to the general population in the geographic area. AHCCCS will implement DAP rates for the following providers:

1. [Hospitals Subject to APR-DRG Reimbursement, excluding Critical Access Hospitals.](#)
2. [Critical Access Hospitals.](#)
3. [Other Hospitals and Inpatient Facilities.](#)
4. [Freestanding Emergency Departments.](#)
5. [Indian Health Services \(IHS\) and 638 Tribally Owned and/or Operated Facilities.](#)
6. [Nursing Facilities.](#)
7. [Behavioral Health Outpatient Clinics and Integrated Clinics.](#)
8. [Physicians, Physician Assistants, and Registered Nurse Practitioners.](#)
9. [Physicians, Physician Assistants, and Registered Nurse Practitioners Specialty Types \(Obstetrics and Gynecology, Pediatrics, Cardiology, and Nephrology\).](#)
10. [Behavioral Health Providers.](#)
11. [Dental Providers.](#)
12. [Home and Community Based Services Providers.](#)
13. [Therapeutic Foster Homes.](#)
14. [Multiple Provider Types,](#) and
15. [Crisis Providers](#)

The current DAP rates expire after September 30, 2023, dates of service. The DAP rates in this notice for CYE 2024 will be effective for dates of service beginning October 1, 2023, through September 30, 2024. All noted providers (based on distinct Provider Types) will have the opportunity to be considered for meeting the criteria described further below. If a provider receives a DAP increase for CYE 2024 but fails to achieve one or more of the milestones by the specific date or fails to maintain its participation in the milestone activities, the provider will be ineligible to receive a DAP for dates of service from October 1, 2024, through September 30, 2025 (CYE 2025), if a DAP would be available at that time. **If a provider is receiving a DAP in CYE 2024 and cannot meet a milestone and/or cannot maintain its participation in milestone activities, the provider must immediately notify AHCCCS. This notification must be made prior to the milestone deadline and must state the reason the milestone cannot be met.**

The DAP schedule represents a positive adjustment to the AHCCCS Fee-for-Service (FFS) rates. The purpose of the DAP is to distinguish providers committed to supporting designated actions that improve patients' care experience,

improve members' health outcomes, and reduce the cost of care. The fee schedules will be limited to dates of service in CYE 2024.

Unless otherwise specified, AHCCCS managed care organizations (MCOs) will be required to pass through DAP increases to their contracted rates to match the corresponding AHCCCS FFS rate increase percentages. DAPs, with respect to the MCOs, are authorized under 42 CFR 438.6(c)(1)(iii), which provides states with the flexibility to implement provider payment initiatives, requires certain payment levels by the MCOs to providers, and provides specific services critical to ensuring timely access to high-quality care. AHCCCS implements DAP as a uniform percentage increase under this authority. The Centers for Medicare and Medicaid Services (CMS) must approve all 438.6(c) payments prior to annual implementation.

Under a given DAP initiative, the DAP increase may be applicable to all claims and encounters paid to a provider or may be limited to claims for a subset of select services. The DAP increases do not apply to payments made based on a cost-to-charge ratio. Additionally, DAP increases are applied to claims after all the reimbursement rules are applied, but before the "Lesser Of" logic is determined. This notice describes how the DAP increase will be applied for each initiative.

Please note that funding for DAP rate increases is subject to the appropriation of State funds and budget constraints. Federal funding for DAP rate increases is contingent upon federal approval. All decisions or considerations included in this notice are therefore subject to the availability of funds and federal approval.

If a facility or a provider qualifies for one or more of the following DAPs, they will be added to a Qualifying Provider list that can be found on the AHCCCS website under Plans/Providers - Rates and Billing - FFS - Qualifying Providers. If there are any discrepancies or changes they must be submitted to AHCCCSdap@azahcccs.gov prior to the start of CYE 2024. In relation to the following DAPs, the qualifying Health Information Exchange (HIE) organization is designated as Contexture.
