

State Medicaid Advisory Committee (SMAC)

Wednesday, February 3, 2015

AHCCCS

Gold Room - 3rd Floor

701 E. Jefferson Street

1 p.m. – 3 p.m.

Agenda

I. Welcome	Director Tom Betlach
II. Introductions of Members	ALL
III. Approval of October 7, 2015 meeting summary	ALL

Agency Updates

IV. AHCCCS Update <ul style="list-style-type: none">Budget and Merger	Director Tom Betlach
V. Introduction of New Division of Health Care Advocacy and Advancement	Paul Galdys Assistant Director
VI. Introduction of New Member Organization	Dr. Frank Scarpati CEO/President, Community Bridges, Inc.
VII. Autism Spectrum Disorder Report and Pharmacy and Therapeutics Committee Update	Dr. Sara Salek Chief Medical Officer
VIII. System Integration 2.0	Monica Coury Assistant Director
IX. Delivery System Reform Incentive Payments	Beth Kohler Deputy Director

Discussion

X. Call to the Public	Director Thomas Betlach
XI. Adjourn at 3:00 p.m.	ALL

*2016 SMAC Meetings

Per SMAC Bylaws, meetings are to be held the 2nd Wednesday of January, April, July and October. All meetings will be held from 1 p.m.- 3 p.m. unless otherwise announced at the AHCCCS Administration 701 E. Jefferson, Phoenix, AZ 85034, 3rd Floor in the Gold Room:

~~January 13, 2016~~ – Rescheduled to February 3, 2016

April 13, 2016

~~July 13, 2016~~ – Rescheduled to August 17, 2016

October 12, 2016

For more information or assistance, please contact Theresa Gonzales at (602) 417-4732 or theresa.gonzales@azahcccs.gov

October 2015 Meeting Summary

State Medicaid Advisory Committee (SMAC) Meeting Summary
Wednesday, October 7, 2015, AHCCCS, 701 E. Jefferson, Gold Room
1:00 p.m. – 3:00 p.m.

Members in attendance:

Tom Betlach
Cara Christ
Kathy Waite
Tara McCollum Plese
Peggy Stemmler
Kevin Earle
Gina Judy
Frank Scarpati
Nic Danger

Timothy Leffler
Joyce Millard Hoie
Daniel Haley
Leonard Kirschner
Phil Pangrazio
Steve Jennings
Vernice Sampson
Kim VanPelt
Amanda Aguirre by phone
Brittany Carter for Kathleen Collins Pagels

Members Absent: Barbara Fanning

Staff and public in attendance:

Theresa Gonzales, Exe Const. III, AHCCCS
Monica Coury, Assistant Director, AHCCCS
Sara Salek, Chief Medical Officer, AHCCCS
Beth Kohler, Deputy Director, AHCCCS
Lauren Prole, Project Office Manager, AHCCCS
Paul Galdys, Assistant Director, DBHS
Deb Gullett, Executive Director, AzAHP
Eddie Sissons, Executive Consultant, MHAAZ
Matt Jewett, Grants Director, Mountain Park
Jim Dunn, CEO, NAMI AZ
Michael Zarcts, Account Director, Alkoemes

Melissa Higgins, Staff Attorney, Community Legal Svcs.
Troy Garland, SD Medical Svcs., Health Choice
Gaspar Laca, Gov't. Affairs, GSK
James Kotusky, NAM, Gilead
Jane Stephen, Health Policy, Allergan
Corinne Glock, Relypsa
Matthew Kingry, Health Choice
Ann Nelson
Mark Schwartz, GSK
Lori Howarth, Bayer

Initiatives Update (continued)

Initiatives Update Q&A's

Q: Root cause for lack of system capacity?

A: Lack of specialty providers and pay for methodology what is financial incentive to take high needs member. St. to have performance measures to monitor.

Q: What do you tackle first?

A: Leverage ament recourses; PCH recruitment 12 child psychologist.

Q: AZ statewide trend data – overdoes deaths.

A: Department of Health can pull out Medicaid numbers.

Q: Passed Legislation?

A: Yes; to develop recommendations

Q: Coverage equal 60 days after foster care. Recommend extend to 6 months even after transition out of foster care.

A: Report at legislature and what they need to do: State agencies to do to equal services.

Q: What about those exiting at 18 years?

A: Should apply to all. YATI already exist to age 26.

Comments:

- AZ does not have a robust residency training program.
- UofA and MARIC.

VI. Community Paramedicine & SIM Updates

Beth Kohler

- AZ Medicaid State Plan Amendments
- Waiver Activity

Community Paramedicine & SIM Updates Q&A's

Q: Yuma Regional Center very interested; How to meet Criteria and when effective?

A: Send Beth workgroup to talk criteria. Stakeholder process start conversation within next month; mid 2016.

Q: Private funders fund eligibility for those transitioning out; how to sustain?

A: A will bring in to discuss. Locate DES workers. SPA with counties ready to have conversation and can replicate out.

Q: HOPE does jail arraignments can start app., but zero prove citizenship and income. Can be granted immediate eligibility for 30 days and released.

A: Can look.

Comments:

City of Chandler

- 911 calls send paramedicine to do an assessment if needs to go somewhere. (Make appointment with PCP, go to urgent care).
- Zero get reimbursed. But know they facilitate right care at right time.
- Will meet to work with stakeholders
- How applicable statewide zero let in every one with criteria.
- Create provider type to reimburse.
- Tracking and monitoring.
- DMS already has regular authority "(Premier EMS)" looking at "treat and refer provider."

VII. Public Comment Summary

Monica Coury

- Waive and HCBS

Public Comment Summary Q&A's

Q: What about assisted living?

A: Less

Q: Person-centered planning as a cost driver?

A: Already a big part might need to do more training in steps of PC planning. No assessment with respect to cost, but zero a big concern. Recognize rates need to be updates.

Q: Will this be the percent of those receiving services in HCBS? 75 percent.

A: Don't think so. Other address that for other states, where indicated weren't really in community based setting.

VIII. CMS Update

Theresa Gonzales

CMS Update Q&A's

Q: As to gone?

A: Direct vs. indirect. Calculations a giving highest dollar for IME. Will allow additional \$80 million to flow as available.

Q: Not automatic?

A: Come it.

Q: Entites

A: Sources. Hospital need to work with local entities.

IX. AHCCCS Updates

Tom Betlach

AHCCCS Update Q&A's

Q: NYT article regarding Medicare premiums increase; big issue?

A: Yes; it's significant hit for AZ policy – Medicaid – subsidizing source for Medicare? Exchange of dollars. NAMD send letter to congress and AHCCCS send letter to CMS that we are limited by federal allotment that we will freeze unless congress authorizes.

Q: Kidscare reports regarding education – healthcare, home and food.

Again AZ only state that freeze Kidscare. Any thoughts moving forward.

A: Complicated. Federal law FMAP percent goes up significantly but still have allotment limit. Currently use for expansion and if CMS can do anything. In AZ 23 percent of marketplace equal kids which is highest nationally and good for continuity.

Q: Seeing concern from families of moving HCBS IDD from DDD.

A: AHCCCS and DES has not discussed. Scheduled to go out and k BH – RBHAs had a mom just move to AZ and hard to explain, do five different systems. (AHCCCS, RBHA, DDD, Medicare and R&A). Discussion how to reduce fragmentation. So looking at PH and BH aspect and consider duals (25%) and what can be done to streamline systems. Entirely different conversation when discuss service delivery system, no administrative structure at the state.

X. Call to the Public

Tom Betlach

Average Medicaid Director Tenure

Delivery System Initiatives

Delivery System Reforms

2015 Accomplishments

- BHS/AHCCCS Merger
- Greater AZ RBHAs
- Duals BH Integration
- CRN – SMI Determination
- New AFIS and Procure AZ
- Moved DES Medicaid Eligibility to HEAPlus
- Implemented ICD-10
- New PBM Implementation

2015 Accomplishments

- Avoided 5% provider rate reductions
- Plans required to pay PPS Rate to FQHCs
- Developed reports on improving system for Children with ASD and Foster Care Kids
- Over 80 AIHP members in care coordination efforts
- Successfully transitioned new Governor
- Started work on Lean Management System
- Submitted 1115 Waiver Proposal – HCBS Plan
- Over 4,000 people heard about AHCCCS nationally

2016 Opportunities

- 7-1-16 – Complete Merger – Contracts – TRBHA IGAs – Systems – etc...
- 10-1-16 – New 1115 Waiver
- ALTCS EPD Procurement
- DD Acute Procurement – BH Integration
- Integration 2.0 Planning – Stakeholders
- 999 claims lines
- Value Based Purchasing
- Health Information Exchange

2016 Opportunities

- Justice System Initiatives
- Begin implementing ASD Recommendations
- Support Substance Use Initiatives
- HEAPlus ALTCS Pilot
- Hospital Assessment Case
- New Federal MCO Regulations – Access Requirements
- Tribal Health Homes/Care Coordination
- Mental Health First Aid Training

Being Mortal – Atul Gawande

- Medical advances have turned aging and dying into a medical experience doctors not ready for
- Geriatrics – good outcomes – poor finances
- 97% of all Med students do not take a course in geriatrics
- 1954 legislation created to establish NFs in response to rapid growth in hospitals – originally built for transitions
- 1983 First Assisted Living Facility
- We want autonomy for ourselves – safety for parents

Being Mortal – Atul Gawande

- *Medical profession concentrates on repair of health not sustenance of soul*
- *Making lives meaningful in old age is new and requires imagination*
- *Job is not to confine choices in name of safety but to expand as part of worthwhile life*
- *Pre 1945 – majority of deaths at home – Late 80s – 17% - 2010 45% died in hospice – half at home*
- *Questions – what are your biggest concerns/fears? What goals are most important? What tradeoffs willing to make? Not make?*

**Introduction of New
Division of Health Care Advocacy
and Advancement**

Division of Health Care Advocacy & Advancement

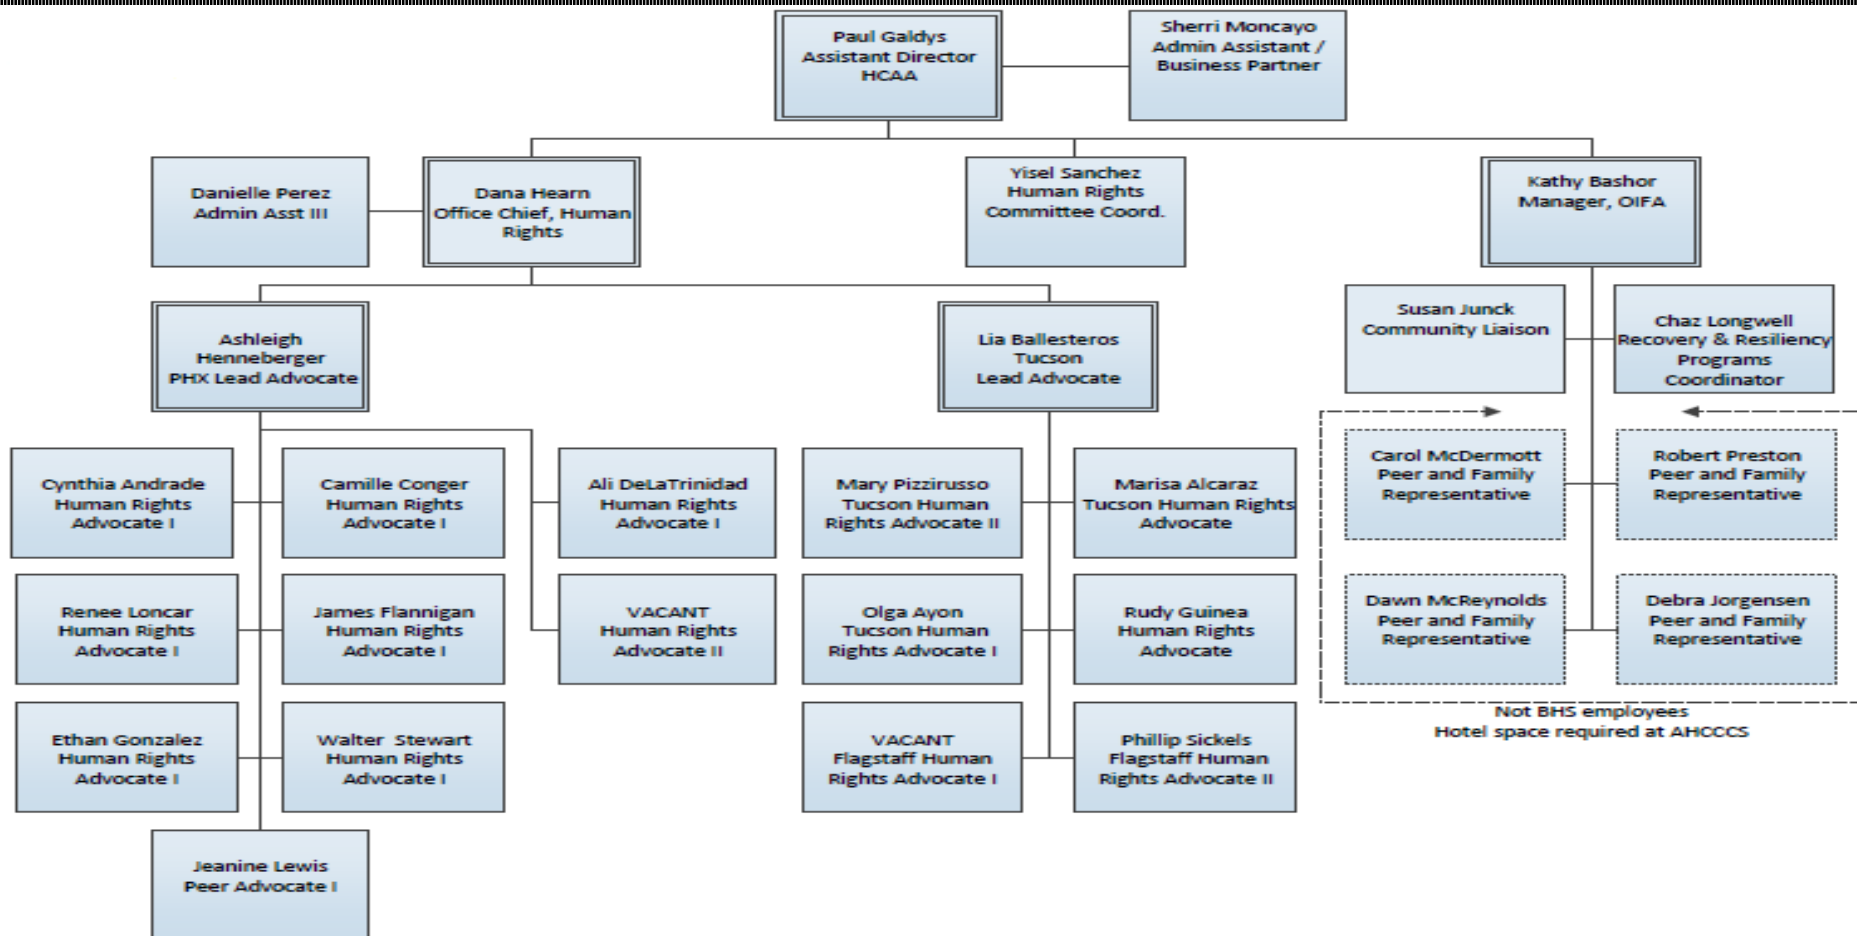

Paul Galdys
Assistant Director

Division of Health Care Advocacy and Advancement (DHCAA)

- The Office of Individual and Family Affairs (OIFA)
- The Office of Human Rights (OHR)
- Human Rights Committees (HRC) Liaison
- The State Medicaid Advisory Committee (SMAC)
- Arizona Long Term Care System (ALTCS) Advisory Committee
- Behavioral Health Planning Council

AHCCCS/DBHS Transition Org Chart

The Office of Individual and Family Affairs (OIFA)

The Office of Individual and Family Affairs activities include:

- Increasing adult, youth and family voice and participation
- Removing barriers to inclusion, and resolve issues impacting service delivery
- Establishing structure and mechanisms necessary to increase the youth, adult and family voice in areas of leadership and service delivery
- Ensuring parent and peer support programs (self-help initiatives) are available
- Establishing mechanisms, standards and activities to monitor contractors

The Office of Human Rights (OHR)

The Office of Human Rights provides advocacy services free of charge to individuals determined to have a Serious Mental Illness (SMI) and designated as needing special assistance in the public mental health system.

- Help individuals understand, protect and exercise their rights
- Facilitate self-advocacy through education
- Obtain access to behavioral health services
- Provide support in the development of the Individual Service Plan
- Navigate the grievance and appeal process

Human Rights Committees (HRC)

Liaison

The division is staffed with a liaison to provide administrative support to the Human Rights Committees created by the Arizona Legislature (A.R.S. 41-3803 and 41-3804)

- There are 3 HRCs – Pima County, Maricopa County and Arizona State Hospital
- Each committee consists of 7-15 members who are consumers, or family members of consumers, and professionals with expertise in these areas: psychology, law, medicine, education, special education, social work, housing or behavioral health.
- HRCs meet as frequently as established in their operating guidelines, but at least quarterly.

The State Medicaid Advisory Committee (SMAC)

- The State Medicaid Advisory Committee (SMAC) advises the Director of AHCCCS on policy, operations and administrative issues of the Medicaid program, including issues of concern to the community. The Committee meets quarterly and the AHCCCS Director chairs the meeting. SMAC meetings are open to the public and every meeting has an open discussion period after the final agenda item has been addressed.
- The SMAC operates in accordance with 42 CFR 431.12 (Code of Federal Regulations) and the State Medicaid Plan.

Arizona Long Term Care System (ALTCS) Advisory Committee

- The Arizona Long Term Care System (ALTCS) Advisory Committee advises the agency on policy related to the ALTCS program.

Behavioral Health Planning Council

- Established through Public Law 99-660, the Behavioral Health Planning Council is an advisory body charged with the responsibility for reviewing, monitoring and evaluating the adequacy of behavioral health services in Arizona as well in the development and implementation of the State Comprehensive Mental Health Services Plan for Children and Adults.
- The Council represents urban and rural areas statewide. The membership includes providers, consumers, family members, tribal representatives, advocates, mental health professionals, and representatives from state agencies. The Planning Council holds annual retreats to examine past accomplishments and strategically plan for the future.

Thank you!

ASD Advisory Committee

ASD Advisory Committee: Charge

Articulate a series of recommendations to the State for strengthening the health care system's ability to respond to the needs of AHCCCS members with or at risk for ASD, including those with comorbid diagnoses.

Two-pronged approach

- Short-term: Policy Level Changes
- Long-term: System Level Changes

Short-Term Solutions

- Improve access to ASD services through RBHA
- Expand the types of providers from whom DDD accepts an ASD dx
- Web resources to navigate current system
- Maintain EBP Treatment Matrix
- Develop ASD Workforce Consortium

Long-Term Solutions

- Integration of physical and behavioral health through single health plan
- Care coordination
- Leverage VBP strategies to improve outcomes

System Design

- Support for an **integrated** system of physical and behavioral care
- Choice is essential
 - Multiple health plans
- DDD should remain the MCO for individuals qualifying for ALTCS

System Integration 2.0

(no handouts)

Delivery System Reform Incentive Payments

AHCCCS DSRIP Update

February 3, 2016

Arizona SIM Vision

Accelerate the delivery system's evolution towards a value-based, integrated model that focuses on whole person health in all settings regardless of coverage source.

SIM/DSRIP Strategies

- Target strategies to High Cost/Complex Need populations to achieve better outcomes and more efficient/cost effective care
- Leverage SIM strategies into a DSRIP
 - Support BH/PH Integration
 - HIE
 - Value Based Payments
 - Care Management for High Needs High Cost members
 - Justice System Transitions
 - American Indian Care Management capacity

Dec 8 Provider and Health Plan Stakeholder Meeting

- Overview of Delivery System Reform Improvement Program (DSRIP) in other states/CMS
- Begin engagement
- Start discussion of overarching strategies
- Discussion of next steps

Key Questions

- Beyond technology and data infrastructure, what are existing barriers to effective contractual partnerships in developing an integrated continuum of care that includes hospitals, PCPs, community behavioral health, social services, health plans etc.?
- What are barriers to providers being able to enter into VBP models and how can these efforts help?
- How do we scale and support initiatives that address complex populations such as the AIHP Care Coordination Initiative?
- ***ROLE OF MANAGED CARE/PLANS***

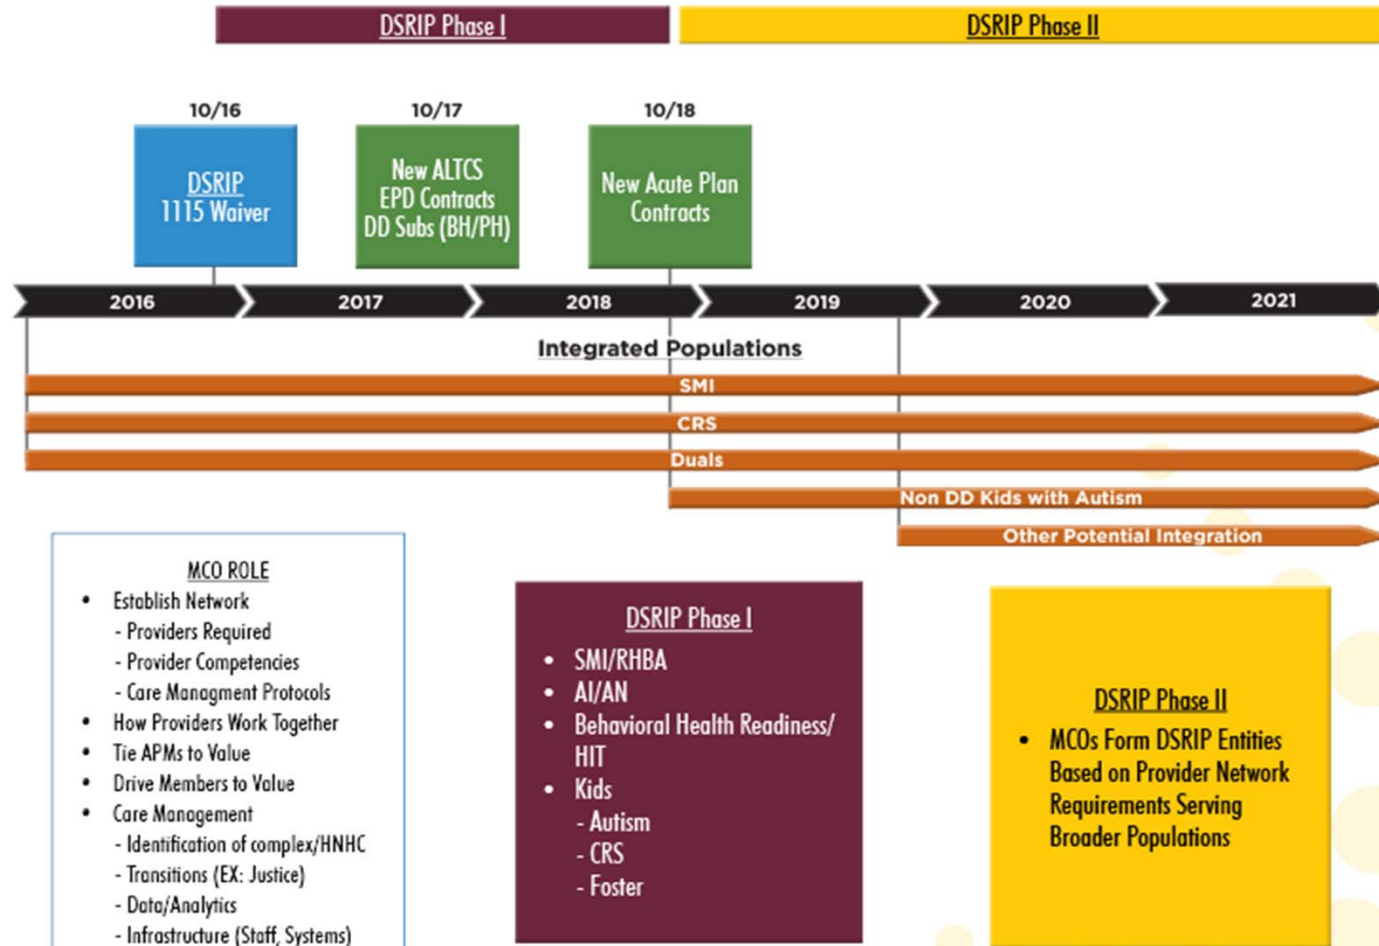

Role of MCO in Other States

- Major DSRIP programs in other states (NY, CA, TX) building provider-driven entities in a managed care environment
- Potential for DSRIP entities performing overlapping or uncoordinated functions with MCO
- E.g., CA PRIME Program Objective –PRIME entities assuming responsibility for the overall healthcare needs of a population of the Medi-Cal beneficiaries

AZ Role of MCO

- AHCCCS Vision: Shaping tomorrow's managed care from today's experience, quality, and innovation
- Arizona will look to leverage mature managed care infrastructure to organize entities (establish network), establish protocols for care management and service delivery to complex populations and VBP

DSRIP Timeline

Next Steps

- Health Plan Meeting – early Feb
- Stakeholder meeting – 2/25
- AIHP Stakeholder Regional Forums – early March
- Finalize Proposal – Late March
- CMS Visit - April
