

2017-2018 Tribal Outreach & Engagement Report

Bonnie Talakte,
Tribal Liaison

Purpose of Report

- Required by Governor's Office on annual basis
- Documents AHCCCS tribal outreach & engagement activities conducted by AHCCCS divisions that interact regularly with Tribes, tribal AHCCCS members, IHS, Tribal 638's and Urban Indian health facilities (ITUs).

Outreach & Engagement Activities

Conducted by: OOD, OIR, DFSM, PRU & DHCAA

- Quarterly tribal & ad hoc consultations
- Government-to-government meetings
- Trainings and technical assistance
- State tribal forums
- Requests for input & public comment on policy & programmatic changes proposed by AHCCCS or mandated by State Legislature or CMS.

Performance Measures

- 2015-2017 fiscal year: 60 outreach & engagement activities were conducted by OOD/OIR
- 2016-2017 fiscal year: 91 outreach & engagement activities were conducted by OOD/OIR
- 2017-2018 fiscal year: 168 outreach & engagement activities were conducted agency-wide

Key Initiatives

- Implementation of:
 - AHCCCS Complete Care (ACC) on 10/1/18
 - American Indian Medical Home on 10/1/17
 - Tribal 638 FQHC's on 4/1/18
 - Care Coordination Agreements 100% FMAP projects
- AHCCCS/Tribal partnerships established to align NEMT requirements
- Increase in tribal ambulance rates by \$8M on 10/1/18

Highlights

- Tribal participation at quarterly consultation meetings averaged 100+
 - In-person, telephonic, WebEx
- Tribal engagement has led to the adoption of new policies and programs improving health outcomes for tribal AHCCCS members.
