

San Carlos Apache
Involuntary
Commitment
Flowchart

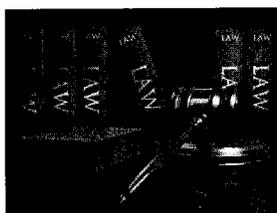

Dr. Thea Wilshire, Clinical Director
San Carlos Apache Wellness Center

Background Information

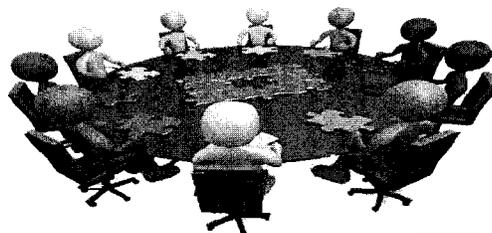

- Adult male needing psychiatric in-patient services
- Confusion, challenges, and delays across all involved agencies: tribal departments, IHS, RBHA providers, Gila County Superior Court, and Arizona State Hospital
- 6 month wait for in-patient treatment!
- "There has got to be a better way!"

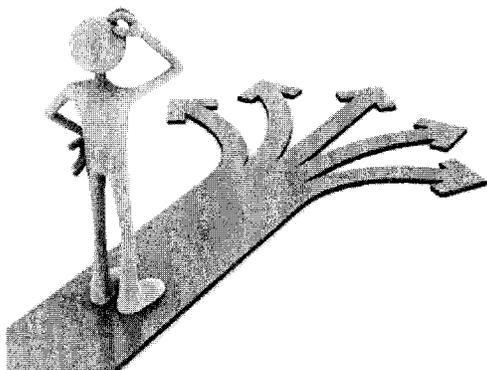

Development of Flowchart

- Meet with stakeholders
- Identify challenges
- Review applicable laws
- Develop needed paperwork
- List available resources
- Train other stakeholders

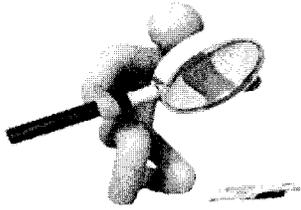

Application of Flowchart

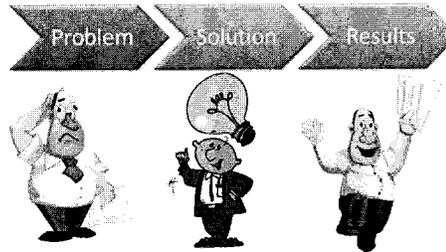

- Utilized with 2 involuntary commitment processes after the initial man
- Flowchart revised
- Communication enhanced

Case Study

The Case Study Recipe

- To make this both interesting and applicable
- Case study = imaginary client
- Use this pretend client to unpack information and walk you through the process

Questions?

- The flowchart is your friend!
- This training will give you the skills you need to navigate through the stormy waters of involuntary commitment process

PROBLEM SOLVING FLOWCHART
