

Provider Enrollment Policy Alert #2026-002P

ADHS Certificate of Necessity Renewal for PT Emergency
Transportation

Issue Date: 2/3/2026

Summary

Revisions were made in the Provider Enrollment Policy Manual which include:

- If the Arizona Department of Health Services (ADHS) receives the Certificate of Necessity (CON) renewal on time, the current CON stays in effect until the agency issues a final decision. If the agency denies the renewal or restricts the license terms, the current license remains valid until the deadline to request a review of that decision, or until a later date set by a court.
