IMPORTANT INFORMATION FOR PROVIDERS
PLEASE READ

The AHCCCS Division of Fee-for-Service Management (DFSM) has published a Provider Welcome Letter and a Check List for providers to use in their office. The Check List helps providers prepare for doing business with AHCCCS, in submitting prior authorizations, claims, and understanding AHCCCS policies and billing guidelines.

The welcome letter and check lists can be found on the AHCCCS Provider Enrollment Webpage.

Note of Importance: All AHCCCS registered providers can provide services to Fee-For-Service members, including those enrolled in the American Indian Health Program (AIHP) or Tribal ALTCS.

In addition to the Provider Billing Manuals found on the AHCCCS website, AHCCCS also provides the “Claims Clues” (newsletter) & “The DFSM Email Notification List” (email notifications, previously called Constant Contacts) to assist Providers in locating important information.

We strongly encourage providers and their employees to dedicate time to sign up for and review these resources.

These publications are incorporated, by reference, into the Provider Participation Agreement. It is the provider’s responsibility to remain apprised of information contained within these publications.

Retroactive Coverage
(also called Prior Quarter Coverage)

Beginning July 1, 2019 coverage for most newly eligible members will be retroactive to the first day of the month in which the Medicaid application is received.

Pregnant women and children up to age 19 exempt from this requirement.

- If an exempt individual is determined to qualify for AHCCCS during any one or more of the three months prior to the month of application, then the individual will be determined to have “Prior Quarter Coverage” eligibility during those months.

Providers are encouraged to utilize the Health-e-Arizona Plus (HEAplus) application process to assist in enrolling uninsured patients into AHCCCS coverage. HEAplus offers the most accurate, credible, real-time eligibility determinations for public assistance programs such as AHCCCS to help providers better manage their patients’ payment source. HEAplus will shorten the eligibility determination timeframe and simplify the process for members and providers. Anyone can access www.healthearizonaplus.gov from any internet connection. Today, hundreds of locations throughout the State use HEAplus to help Arizonans. More information about HEAplus, including how to become a Contracted Community Partner can be found on the link below:

Effective 4/1/2019, all admissions and continued stays at Behavioral Health Residential Facilities (BHRF) (Provider Type B8) for AIHP and TRBHA members require authorization.

- **NOTE:** Authorization is NOT required for IHS/638 BHRF Facilities.

If a member is admitted directly from a BHIF, the Crisis System, or the pre-admission evaluation determines that the member needs an urgent admission, Prior Authorization is not required. For FFS members, the BHRF shall submit the Behavioral Health Residential Facility Admission Notification Form via the AHCCCS Online Provider Portal & DFSM will authorize up to an initial 5 days for this type of admission. During this initial 5 day time frame, the BHRF will be responsible for submitting an Authorization request and ensuring compliance with criteria listed in AMPM Policy 320-V – Behavioral Health Residential Facilities and 9 A.A.C.10.

- If the Authorization request and the supporting admission documentation are not received within the initial 5 day time frame, claims may be denied.

Admission documentation that is required for the Authorization request includes:

1. Behavioral health assessment in compliance with 9 A.A.C. 10, to determine Behavioral Health Condition and Diagnosis. Assessment should be recent, and not older than 1 year. Done by a BHP, or by BHT cosigned by a BHP, utilizing standardized instrument that is able to determine the appropriate level of care.

2. Treatment Plan – completed in compliance with 9 A.A.C.10 by the Inpatient/Outpatient or TRBHA Treatment Team. Included in the plan should be an intervention specifying the BHRF level of care as necessary for the member as a least restrictive level of care required to treat the Behavioral Health Condition, identified in the Assessment. This plan shall not be older than 3 months from the request submission date.

**NOTE:** All criteria for admission still must be met from the date of admission.

For members currently in a BHRF, facilities had to submit an authorization request to get the continued stay authorized by 5/31/2019. Criteria for admission and continued stay are detailed in the new AMPM Policy 320-V – Behavioral Health Residential Facilities. Specific authorization submission and documentation procedures will be available on the FFS web page on the AHCCCS web site. Please look for upcoming notifications on training opportunities that will be available on the FFS web page.

Prior Authorization Requests shall be submitted on the AHCCCS Online Provider Portal.

For guidelines related to requirements for prior authorization and its accompanying documentation, please refer to our Provider Authorization Requirements.
