Automated Online Provider Enrollment System to Launch in 2019

In 2019, the AHCCCS provider enrollment process will move from a manual, paper-based system to a new, online system process that will allow providers to:

- Enroll as an AHCCCS provider;
- Update information (such as phone and addresses);
- Upload and/or update licenses and certifications;
- And more, all online and in real time!

This change, from a 100% manual process to the new, automated system will streamline the provider enrollment process. Initial applications will be processed more quickly and changes to current enrolled providers will all be completed online.

The new system is anticipated to go live in the fall of 2019. Additional information will be released closer to the implementation date.

If you have questions please contact Provider Enrollment at:

- 1-800-794-6862 (In State - Outside of Maricopa County)
- 1-800-523-0231 (Out of State)

**Name Change**

Did you know that the Provider Registration Unit of AHCCCS is changing its name? Moving forward Provider Registration will be called Provider Enrollment, and updates to the name will be seen across the AHCCCS website.

To access provider enrollment registration materials please visit us online.
Beginning in 2020, AHCCCS will require Medicaid providers of personal care and home health services to use Electronic Visit Verification (EVV) pursuant to Section 1903 of the Social Security Act (42 U.S.C. 1396b). EVV is an electronic based system that verifies when caregiver visits occur and documents the precise time services begin and end. It ensures that members receive their medically necessary services. AHCCCS has selected Sandata Technologies LLC to deliver the statewide EVV system that will be made available to all service providers required to use EVV. Service providers may choose to use an alternate EVV system vendor (at their own cost) and must interface with the statewide system as a data aggregator. More information on AHCCCS’ plans for EVV is outlined on the AHCCCS website.

AHCCCS is requesting service providers, subject to EVV, complete the survey to inform readiness activities to support successful implementation of the EVV system. Providers that complete the survey in its entirety and submit it by 05/20/19 will be eligible for a Differential Adjusted Payment (DAP) of 1.0% for all services subject to EVV for dates of service 10/01/2019 – 09/30/2020. This means service providers will receive a 1% increase to their current rate for services during the period of 10/01/2019 – 09/30/2020.

The survey may be found here.

The DAP is intended to incentivize providers to help AHCCCS and Sandata Technologies LLC prepare for the implementation of EVV. The DAP is separate and apart from the State’s plans to fund the EVV system. More information on the State’s plans to fund the EVV system may be found on the AHCCCS website.

For assistance in completing the survey, please email EVV@azahcccs.gov prior to the 05/20/19 deadline submission date.
The EVV DAP is applicable to the following provider types, service codes and Places of Service (POS) only when in combination with each other. A qualifying service must be provided by a qualifying provider type and POS in order to qualify for the DAP.

AHCCCS EVV Updates

AHCCCS has selected Sandata Technologies, LLC as the statewide EVV vendor. However, the contract award is contingent upon approval from the Centers for Medicare and Medicaid Services (CMS) and the Arizona Department of Administration, Arizona Strategic Enterprise Technology (ADOA-ASET). Barring approval from CMS and ADOA-ASET, AHCCCS will be in a position to execute the contract with Sandata Technologies, LLC on or before June 1, 2019 and the date is subject to change.

Request for Electronic Remittance Advice (ERA) or 835 Transaction Setup (FAQs)

**Q:** Who is a candidate for ERA/835?

**A:** Information important to note is that an AHCCCS registered provider would receive a remittance advice from AHCCCS as a result of Fee-For-Service (FFS) claims adjudication. To further explain, AHCCCS reimburses providers for services in only two ways:

1. Our AHCCCS health plans directly reimburse providers who subcontract with them and/or provide services to their enrolled members. Each AHCCCS health plan is considered the payer, and providers submit claims for AHCCCS health plan enrolled members directly to the member’s AHCCCS health plan.

2. AHCCCS reimburses providers on a FFS basis for services rendered to members eligible for AHCCCS or ALTCS, when they are not enrolled with an AHCCCS health plan. FFS populations include, but are not limited to, members in the Federal Emergency Services (FES) Program, members enrolled in the American Indian Health Program (AIHP), or American Indian members enrolled in a Tribal ALTCS Program. For these members AHCCCS is considered the payer, and providers submit their FFS claims directly to AHCCCS. Members are not enrolled in ‘IHS’ but in ‘AIHP’

On claims for AHCCCS members enrolled with one of our AHCCCS health plans, you would want to contact the health plan regarding their ERA setup requirements. A list of the AHCCCS health plans can be found on our website.

If an AHCCCS registered provider is not actively submitting FFS claims to AHCCCS, the provider would not be a candidate for AHCCCS ERA/835 setup.

**Q:** Who can request ERA/835 setup?

**A:** AHCCCS considers the provider their trading partner and a request for electronic remittance advice (ERA) or 835 transaction setup must come from an authorized individual from within the provider’s organization; it cannot be initiated by the provider’s clearinghouse, software vendor, or billing service.

For clarification purposes, the authorized individual must be someone from within the provider’s own organization that has the authority to accept the electronic Trading Partner Agreement (TPA) executed from the Community Manager (CM) web portal. Only the provider can accept the TPA as it is a contractual agreement between the provider and AHCCCS. The provider’s CM account activation cannot be done by the provider’s clearinghouse, software vendor, or billing service.

**Q:** How do I request ERA setup?

**A:** AHCCCS Information Services Division EDI Customer Support is the first point of contact for questions related to electronic transactions or to request transaction setup. The preferred method of contact is email. Note: If providing PHI data, please make sure your email is secured.

All inquiries will result in the assignment of a Service Request or Incident for AHCCCS reporting purposes. Contact information:

Email: EDICustomerSupport@azahcccs.gov

Telephone Number: 602) 417-4451

Hours: 7:00 AM – 5:00 PM Arizona Time, Monday through Friday

**Q:** What information does AHCCCS need from a provider requesting ERA/835 setup?

**A:**

- Customer Name
- Provider Name
- Customer Email Address
- AHCCCS 6 digit Provider ID and/or NPI
- Provider Tax ID
- Provider Group ID (if applicable)

Will the provider be retrieving their own ERA/835 or be using a clearinghouse to retrieve the ERA/835 on the provider’s behalf?

If a clearinghouse is to be used, provide the name of that clearinghouse.
Behavioral Health Residential Facility (BHRF) Notification

Effective 4/1/2019, all admissions and continued stays at Behavioral Health Residential Facilities (BHRF) (Provider Type B8) for AIHP and TRBHA members will require authorization.

- **NOTE:** Authorization is NOT required for IHS/638 BHRF Facilities.

All new BHRF admissions will require notification of admission to AHCCCS for initial coverage of up to 5 days of care. During this initial 5 day time frame, the BHRF will be responsible for submitting an Authorization request and ensuring compliance with criteria listed in AMPM Policy 320-V – Behavioral Health Residential Facilities and 9 A.A.C.10.

- If the Authorization request and the supporting admission documentation are not received within the initial 5 day time frame, claims may be denied.

Admission documentation that is required for the Authorization request includes:

1. Behavioral health assessment in compliance with 9 A.A.C. 10, to determine Behavioral Health Condition and Diagnosis. Assessment should be recent, and not older than 1 year. Done by a BHP, or by BHT cosigned by a BHP, utilizing standardized instrument that is able to determine the appropriate level of care.

2. Treatment Plan – completed in compliance with 9 A.A.C.10 by the Inpatient/Outpatient or TRBHA Treatment Team. Included in the plan should be an intervention specifying the BHRF level of care as necessary for the member as a least restrictive level of care required to treat the Behavioral Health Condition, identified in the Assessment. This plan shall not be older than 3 months from the request submission date.

**NOTE:** All criteria for admission still must be met from the date of admission.

For members currently in a BHRF, the facility must submit an authorization request to get the continued stay authorized by 5/31/2019. Criteria for admission and continued stay will be detailed in the new AMPM Policy 320-V – Behavioral Health Residential Facilities. Specific authorization submission and documentation procedures will be available on the FFS web page on the AHCCCS web site. Please look for upcoming notifications on training opportunities that will be available on the FFS web page.

Prior Authorization Requests shall be submitted on the AHCCCS Online Provider Portal. Please see:

For guidelines related to requirements for prior authorization and its accompanying documentation, please refer to our website.
