

## Durable Medical Equipment Included in the Nursing Facility and Intermediate Care Facility FFS Per Diem Rate

**\*FORMERLY HOUSED IN AMPM POLICY 1210, EXHIBIT 1210-1**

Under 9 A.A.C. 22, Article 2, DME is included in the per diem rate of NFs and ICFs/ID. This list is not all-inclusive and its purpose is as a general reference only.

The following equipment is included in the per diem rate:

- Accucheck monitors
- Alternating pressure mattress and pump
- Bedside commode
- Canes
- Crutches
- Cushions
- Feeding pumps
- Foot cradles
- Geri-chairs (all non-customized)
- Heating pads
- Hospital beds (electric and manual)
- Manual wheelchairs (all non-customized)
- Nebulizers
- Lifts
- Suction machines
- IV poles
- Walkers (all non-customized)
- Water mattress

Customized DME, as defined in [Chapter 100](#) of the AHCCCS Medical Policy Manual (AMPM), may be provided to members if the items are ordered by the member's primary care provider and authorized by the member's Contractor or the Care Management Systems Unit (CMSU) for FFS members.
