Do not enter a space, hyphen, slash or other separator between the qualifier code and the NPI number or between the NPI and the Provider Name.

When reporting a second item of data, enter three blank spaces and then the next qualifier and number/code/Provider Name.

XX is the actual Qualifier Code designated by the standards body to indicate an NPI.

At this time reporting of Participating Providers beyond 2 occurrences is not supported as defined in the standards for these transactions. If Participating Providers beyond 2 occurrences exist for a single claim, only the first two occurrences should be reported.

Refer to Chapter 5 Billing on the CMS 1500 Claim Form for the appropriate use of field 24j Rendering Provider ID #.

REPORTING SCHOOL SITE INFORMATION - PROVIDER TYPES IC, 77 AND 05

In the event provider types IC, 77, or 05 provides care at a school place of service, the providers must also comply with the following guidelines for reporting the school site. The providers shall list themselves as the rendering provider. Additionally, the School Identifier as well as the participating provider shall be entered on the claim form. A listing of the school 9-digit CTDS identifier codes will be provided on the AHCCCS Medical Coding Resources webpage.

Provider types IC, 77, and 05 shall report one participating provider as outlined above, followed by 3 spaces then the applicable Identifier and values for the School Identifier.

School Identifier: 0B (State License) followed by 9 Digit school ID
