#	DATE ADDED	TOPIC	MAJOR DECISION
2.	4/28/2026	Key Staffing Position Requirements	<p>AHCCCS plans to require each ALTCS EPD Contractor to have an ALTCS Administrator specific to the Arizona EPD line of business, and this role may not hold another position with the exception of the role of DSNP Administrator. Additionally, Contractors will be required to have an Office of Individual and Family Affairs (OIFA) Administrator key staff position that aligns with other LOBs while including unique considerations for the ALTCS program. This will include a member liaison position that is specific to the ALTCS population. The ALTCS Member Liaison position shall report to the OIFA Administrator and is required to have lived experience (self or family member) in navigating the ALTCS program.
