

**ALTCS EPD RFP YH27-0001 MAJOR DECISIONS**

#	DATE ADDED	TOPIC	MAJOR DECISION
3.	5/1/2026	Transition Requirements	<p>As it has with prior procurements for the ALTCS EPD Program, AHCCCS intends to have several transition requirements to ensure that members who are receiving care prior to the contract start date and are transitioning to a new plan can continue receiving care and have a smooth transition. In addition to service transition requirements AHCCCS has historically required, AHCCCS intends to include a requirement for mobile laboratory services and a requirement for at least 90 days' notice for members needing to transition care in an out of home placement.</p>
