SUBJECT: Dental CDT codes vs CPT codes

1. Current Dental Terminology (CDT) vs Current Procedural Terminology (CPT)
 - a. a. “Dentists (registered as provider type 07 or 08) should submit CDT codes for services rendered. However, if there is not a compatible CDT code for the service, then CPT codes are acceptable..

AHCCCS Guides –Manuals-Policies

1. Oral Health Care for Early and Periodic Screening Diagnosis and Treatment Aged Members [AMPM Policy 431 and attachments](#)
2. Dental Services for Members 21 Years of Age and Older [AMPM 310- D1](#)
3. Arizona Long Term Care System Adult Dental Services [AMPM 310- D2](#)
