Regarding: System Conversion Update –
Locked out of system 7/14/15; and probably 7/15/15

The PMMIS Reinsurance system continues to be locked today and probably tomorrow. An update will be sent out if this system is unlocked any earlier.

Reinsurance payments were processed on Wednesday, July 8th.
• For customers of Bank of America the funds should have been available on Friday, July 10th;
• all others Monday, July 13th

AHCCCS is experiencing issues printing the remit so the remits are not available to the Contractors out on the server. Once the remits have been printed then the system can be unlocked.
