

AHCCCS Provider Enrollment Portal (APEP) to Launch in 2020

In the Spring of 2020, the AHCCCS provider enrollment process will move from a manual, paper-based system to a new, online system (the AHCCCS Provider Enrollment Portal) that will allow providers to:

- Enroll as an AHCCCS provider;
- Update information (such as phone and addresses);
- Upload and/or update licenses and certifications;
- And more, all online and in real time!

This change, from a 100% manual process to the new, automated system will streamline the provider enrollment process. Initial applications will be processed more quickly and changes to current enrolled providers will all be completed online.

The AHCCCS Provider Enrollment Portal (APEP) is anticipated to go live in the Spring of 2020. Additional information will be released closer to the implementation date.

If you have questions please contact Provider Enrollment at:

**Please note that the “go live” date for the transition from paper based to the online AHCCCS Provider Enrollment Portal (APEP) has been moved from the Fall of 2019 to the Spring of 2020.
