Pediatric BH Core Component #8

Develop protocols for Trauma-Informed Care

- Develop protocols for utilizing the AHCCCS defined standardized suite of evidence-based practices and trauma-informed services.
- AHCCCS has partnered with Southwest Human Development to bring Trauma Informed Care training for Pediatric Behavioral Health participants (see next slide)
- Evidence-based practices for trauma-informed services and will be presented in the Trauma Informed Care training.

Trauma-Informed Care Training Information

- Southwest Human Development is offering trauma-informed trainings designed for pediatric behavioral health providers participating in the AHCCCS Targeted Investments (TI) Program who work with children ages birth to 18.
- **This training is the “AHCCCS-identified Trauma-Informed Care Training program” referenced in the Milestone**
- **The staff required to attend are clinicians, supervisors and case managers who work with children ages birth to 18.**
- Trauma-informed care training is open to participants in the AHCCCS Targeted Investment (TI) Program in pediatric behavioral health including clinicians, supervisors and case managers who work with children ages birth to 18. Registration fees are \$125-\$150 per participant per class.
- **Online registration is available at swhd.org/traumainformed**
- **For more information please contact Peggy Baxter at pbaxter@swhd.org.**

Year 2 Measurement Period

October 1, 2017-September 30, 2018

Milestone Requirement

By September 30, 2018:

- Identify which AHCCCS-defined evidence-based practices will be implemented

AND

- Demonstrate that all staff AHCCCS-requires to be trained and have participated in the AHCCCS-identified Trauma-Informed Care training program or registered for training by that date.

Attestation and Document Validation

- AHCCCS will open a TI Attestation Portal through AHCCCS Online (<https://azweb.statemedicaid.us/Account/Login.aspx?ReturnUrl=%2f>)
- The portal will be available for attestation and document upload in June 2018
- Some of the Milestones will require providers to submit documentation that will need to be uploaded through the Attestation Portal for review by AHCCCS.
- In order to attest for this Core Component, participants will need to attest that all appropriate staff [clinicians, supervisors and case managers who work with children ages birth to 18] has taken, or registered for, Trauma Informed Care training before September 30, 2018.
- More detailed information about how to use the TI Attestation Portal will be available prior to June 2018.
