Core Component #12

Module Pediatric PCP Area of Concentration

Develop protocols for using Trauma Informed Care for all Children/Youth in the High-Risk Registry

Review of Core Component #7

12.	Develop protocols for using Trauma-Informed Care for all children/youth in the high-risk registry, which includes: <ol style="list-style-type: none"> 1) How screening for trauma will be conducted, with what frequency and with which evidence-based screening tools, and 2) How assessments or referrals for assessments will be made for children/youth who screen positive. 	
	Milestone Measurement Period 1 (October 1, 2017–September 30, 2018**)	Milestone Measurement Period 2 (October 1, 2018–September 30, 2019**)
	Practice Reporting Requirement to State By September 30, 2018, demonstrate that all staff who screen for trauma and care managers have participated in an AHCCCS-identified Trauma-Informed Approach training program.	Practice Reporting Requirement to State Document protocols for using a Trauma-Informed Approach to caring for all children/youth in the high-risk registry.

Pediatric PCP Core Component #12

Develop protocols for Trauma-Informed Care

- Develop protocols for utilizing the AHCCCS defined standardized suite of evidence-based practices and trauma-informed services.
- AHCCCS has partnered with the Arizona Adverse Childhood Experiences Consortium to bring Trauma Informed Care training for Pediatric Primary Care participants
- Evidence-based practices for trauma-informed services and will be presented in the Trauma Informed Care training.

Training details

- The Arizona Adverse Childhood Experience (ACE) Consortium is hosting training on trauma and adverse childhood experiences that is designed especially for physicians, care managers, and nurse practitioners.
- Training will cover:
 - The national movements towards trauma-informed care
 - The Prevalence of childhood trauma in Arizona
 - Referring patients to skilled providers
- Additional information:
 - When: Saturday, June 2 2018 (7:30am-12pm)
 - Where: Phoenix Children's Hospital
 - Cost: \$200 (breakfast included)

Registration details

- Please register at:

<https://www.eventbrite.com/e/trauma-and-adverse-childhood-experiences-what-pediatricians-need-to-know-tickets-45249500474>

Year 2 Measurement Period

October 1, 2017-September 30, 2018

Requirement to the State

By September 30, 2018:

- Identify which AHCCCS-defined evidence-based practices will be implemented

AND

- Demonstrate that all staff AHCCCS-requires to be trained and have participated in the AHCCCS-identified Trauma-Informed Care training program or registered for training by that date.

Attestation and Document Validation

- AHCCCS will open a TI Attestation Portal through AHCCCS Online (<https://azweb.statemedicaid.us/Account/Login.aspx?ReturnUrl=%2f>)
- The portal will be available for attestation and document upload in June 2018
- Some of the Milestones will require providers to submit documentation that will need to be uploaded through the Attestation Portal for review by AHCCCS.
- In order to attest for this Core Component, participants will need to attest that all appropriate staff [pediatricians, nurse practitioners, and case managers] has taken, or registered for, Trauma Informed Care training before September 30, 2018.
- More detailed information about how to use the TI Attestation Portal will be available prior to June 2018.

Sneak Peek of Targeted Investments Year 3

Sneak Peek: Milestone Measurement Period 2

October 1, 2018 – September 30, 2019

12.	Develop protocols for using Trauma-Informed Care for all children/youth in the high-risk registry, which includes: <ol style="list-style-type: none"> 1) How screening for trauma will be conducted, with what frequency and with which evidence-based screening tools, and 2) How assessments or referrals for assessments will be made for children/youth who screen positive. 	
	Milestone Measurement Period 1 (October 1, 2017–September 30, 2018**)	Milestone Measurement Period 2 (October 1, 2018–September 30, 2019**)
	Practice Reporting Requirement to State By September 30, 2018, demonstrate that all staff who screen for trauma and care managers have participated in an AHCCCS-identified Trauma-Informed Approach training program.	Practice Reporting Requirement to State Document protocols for using a Trauma-Informed Approach to caring for all children/youth in the high-risk registry.

Sneak Peek: TI Year 3 Measurement Period October 1, 2018 – September 30, 2019

Milestone Requirement by 9/30/2019:

Document the protocols for utilizing the AHCCS-defined evidence-based practices identified in Milestone Measurement Period 1 [period ending September 30, 2018].
