Subject: Comment Regarding ALTCS/EPD Contract Extension

Dear Tom- Thank you for the opportunity to weigh in on the extension of the ALTCS bid process. AHCA is in support of this effort. The skilled nursing and assisted living centers we represent are working well with the existing contractors, with the oversight of your AHCCCS staff.

We understand the administrative complexity of the ALTCS bid process and ensuing implementation and think it sounds like a good plan to extend the current bid.

I greatly appreciate your leadership, and your commitment to the stakeholder process.
