To Whom it May Concern:

On behalf of the Board of Directors, The Kingman Area Chamber of Commerce would like to extend our support to the proposed merger and transition of Care1st Health Plan Arizona to Arizona Complete Health. Since 2018, Care1st Health Plan Arizona has been a solid partner to the community and we expect that to continue well into the future under Arizona Complete Health. We support the proposed merger as a means to reduce confusion, streamline member and provider experiences, and ensure stability for Kingman and Mohave County communities.

Sincerely,

Becky Fawson
