AHCCCS Complete Care Plans (ACC) & Behavioral Health Residential Facility
AHCCCS Complete Care (ACC) began on October 1, 2018. This new integrated system will join physical and behavioral health services together to treat all aspects of our members’ health care needs under a chosen health plan. AHCCCS Complete Care encourages more coordination between providers within the same network which can mean better health outcomes for members.

Members that are enrolled in an ACC Health Plan are not managed by the AHCCCS Division of Fee-for-Service Management (DFSM).

For members enrolled in an ACC Health Plan, **BHRF Providers must contact the ACC plan for prior authorization and claim submission requirements.**

Member Verification Responsibility
AHCCCS recommends that all providers utilize the eligibility and enrollment verification options provided directly by AHCCCS to verify the member’s current eligibility and enrollment status. Even if a member presents an AHCCCS ID card or a decision letter from an eligibility agency, status may change at any time.

Providers may use any one of several verification processes to obtain eligibility, enrollment, CRS, and Medicare/TPL information (if available).

- Member verification may be verified using the AHCCCS Online Portal at: [https://azweb.statemedicaid.us/Account/Login.aspx?ReturnUrl=%2f](https://azweb.statemedicaid.us/Account/Login.aspx?ReturnUrl=%2f)
- To create an account click on the URL and follow the prompts.
- Interactive Voice Response system (IVR) at: Phoenix (602) 417-7200, all others 1-800-331-5090
Member Enrollment and Health Plan Responsibility

- **Title XXI (KidsCare) members enrolled in an AHCCCS Complete Care (ACC) Health Plan:**
  - Providers must contact the ACC Health Plan for PA and billing questions.

- **American Indian members enrolled in the AHCCCS American Indian Health Program (AIHP):**
  - Providers must request authorization from the AHCCCS PA unit and submit claims to AHCCCS Fee for Service.

- **American Indian members enrolled in an AHCCCS Complete Care (ACC) Health Plan:**
  - Providers must contact the ACC Health Plan for authorization and claim submission guidelines.

Behavioral Health Residential Facility

A.A.C. R9-101
Behavioral Health Residential Facility (BHRF)

As Specified in *Arizona Administrative Code* - A.A.C. R9-10-101, a BHRF is a health care institution that provides treatment to an individual experiencing a behavioral health issue that limits the individual’s ability to be independent or causes the individual to require treatment to maintain or enhance independence.

Behavioral Health Residential Facility Prior Authorization Information

Effective 4/1/2019, all admissions and continued stays at a Behavioral Health Residential Facility (BHRF - Provider Type B8) for members enrolled in the American Indian Health Plan (plan ID 999998) and Tribal Regional Behavioral Health Authority (TRBHA) will require a Prior Authorization for the admission and continued stay beyond the initial prior authorized / approved dates.

At the implementation of the prior authorization requirement, BHRFs were required to submit a prior authorization request for any members that were currently receiving behavioral health services in a BHRF prior to April 01, 2019. The PA had to be submitted for approval of the members’ continued stay by May 31, 2019.

Note: Per Title 9 A.A.C. R9-22-201  A prior authorization is not a guarantee of payment.
Behavioral Health Residential Facility Prior Authorization Information

All types of medical, clinical and behavioral health documentation can be uploaded to link with the prior authorization using the AHCCCS Online Provider Portal.

Examples of documentation that can be uploaded include:

- Behavioral Health Assessment Form(s)
- Updated Treatment Plans
- Continued Stay Requests
- Discharge Planning Documentation

**Note:** Providers may also use the AHCCCS Online Provider Portal to check the status of their prior authorization requests. This includes viewing any additional comments that may have been entered by the prior authorization staff.
Behavioral Health Residential Facilities that are designated as an Indian Health Services (IHS) facility, or a Tribal 638 facility being operated by a Tribe or Tribal organization, do not require prior authorization.

No Prior Authorization is required for IHS/638 facilities, for members enrolled under Title XIX.
Behavioral Health Residential Facility
Mandatory Notification Process

Contractors and BHRF providers shall ensure appropriate notification is sent to the Primary Care Physician and Behavioral Health Provider/Agency/TRBHA/Tribal ALTCS program upon intake to and discharge from the BHRF.
BHRF Admissions Guidelines
Direct Admissions from a BIHF
Crisis Services
Urgent Admissions
Behavioral Inpatient Health Facility (BHIF) Direct Admissions to a BHRF

• If member is admitted directly from a BHIF, the Crisis System, or the Pre-Admission Evaluation determines that the member needs an urgent admission, Prior Authorization is not required.

• BHRF shall submit the Behavioral Health Residential Facility Admission Notification Form via the AHCCCS Online Provider Portal.

• DFSM will authorize up to initial 5 days for this type of admission. BHRFs shall submit all required documentation to receive Prior Authorization beyond the 5th day.
Direct Admissions to a BHRF From a Behavioral Inpatient Health Facility (BHIF)

- Continued stay requests beyond the 5TH day will require a prior authorization request via the AHCCCS Online Provider Portal, and these must include all clinical documentation necessary to support the need for the BHRF stay.
  - Note: The Administration or a contractor may deny a claim if a provider fails to obtain prior authorization (Title 9 A.A.C. 22)
- Prior Authorization information for BHRFs can be found at: https://www.azahcccs.gov/shared/Downloads/MedicalPolicyManual/BHRFPARevisedAMPM320VGGuidance.docx

Behavioral Health Assessment
Behavioral Health Residential Facility (BHRF) Notification of Admission

Admission documentation that is required for the prior authorization request includes:

• Behavioral Health Assessment in compliance with Title 9 Arizona Administrative Code, Chapter 10 (A.A.C.), to determine Behavioral Health Condition and Diagnosis. “Assessment” means an analysis of a patient’s need for physical health services or behavioral health services to determine which services a health care institution will provide to the patient” (R9-10-101); and

• Assessment should be recent and not older than 1 year, and performed prior to the BHRF admission; and
Behavioral Health Residential Facility (BHRF) Notification of Admission (Continued...)

Admission documentation that is required for the prior authorization request includes:

- The assessment can be done by a Behavioral Health Professional (BHP) or by a Behavioral Health Technician (BHT) and co-signed by a BHP; and
- Utilize standardized instrument that is able to determine the appropriate level of care needed by the patient; and
- Prior Authorization Request shall be submitted prior to the planned admission date; and
- Initial Prior Authorization may be issued for the period of up to 90 days based on member need and documentation.
Treatment Plan
Behavioral Health Residential Facility (BHRF) Treatment Plan

Treatment Plan – Completed in compliance with Title 9 Arizona Administrative Code (A.A.C.) Chapter 10, by the Inpatient, Outpatient or Tribal Regional Behavioral Health Authority (TRBHA) Treatment Team. For the purposes of this policy and training, it is a complete written description of all services to be provided by the BHRF.

• The Treatment Plan shall be based on the intake assessments and outpatient Service Plan.

• Included in the plan should be an intervention specifying the BHRF level of care as necessary for the member as a least restrictive level of care required to treat the Behavioral Health Condition, identified in the Assessment.

• This treatment plan shall not be older than 3 months from the request submission date to the BHRF.
Behavioral Health Residential Facility
Responsibility of Care and Services

The Behavioral Health Residential Facility maintains core responsibility for the member’s medically necessary services in alignment with AMPM Policy 320-V and the facility’s license.

If an outpatient behavioral health clinic is also asked to provide services to a member who is receiving services from the BHRF, the BHRF must provide the member’s assessment and treatment plan in order to ensure appropriate care coordination is occurring (i.e. to avoid duplication of services, as well as ensuring the behavioral health outpatient clinic is only providing the “Specialty” services, not being provided by the BHRF) as indicated in the member’s assessment and treatment plan.
Behavioral Health Residential Facility
Admission Overview

AMPM Policy 320-V
Criteria for BHRF Admission - AMPM Policy 320-V

BHRF providers providing services to Fee for Service members are required to adhere to the elements listed in AMPM Policy 320-V Behavioral Health Residential Facility.

1. Member has a diagnosed Behavioral Health Condition which reflects the symptoms and behaviors necessary for a request for residential treatment. The Behavioral Health Condition causing the significant functional and/or psychosocial impairment shall be evidenced in the assessment by the following:
Criteria for BHRF Admission - AMPM Policy 320-V

A. At least one area of significant risk of harm within the past three months as a result of:

i. Suicidal/aggressive/self-harm/homicidal thoughts or behaviors without current plan or intent;

ii. Impulsivity with poor judgment/insight;

iii. Maladaptive physical or sexual behavior;

iv. Member’s inability to remain safe within his or her environment, despite environmental supports (i.e. Natural Supports); or

v. Medication side effects due to toxicity or contraindications.
Criteria for BHRF Admission - AMPM Policy 320-V

B. At least one area of serious functional impairment as evidenced by:
   i. Inability to complete developmentally appropriate self-care or self-regulation due to member’s Behavioral Health Condition(s);
   ii. Neglect or disruption of ability to attend to majority of basic needs, such as personal safety, hygiene, nutrition or medical care;
   iii. Frequent inpatient psychiatric admissions or legal involvement due to lack of insight or judgment associated with psychotic or affective/mood symptoms or major psychiatric disorders;
   iv. Inability to independently self-administer medically necessary psychototropic medications despite interventions such as education, regimen simplification, daily outpatient dispensing, and long-acting injectable medications; or
   v. Impairments persisting in the absence of situational stressors that delay recovery from the presenting problem.
Criteria for BHRF Admission - AMPM Policy 320-V

C. A need for 24 hour behavioral health care and supervision to develop adequate and effective coping skills that will allow the member to live safely in the community;

D. Anticipated stabilization cannot be achieved in a less restrictive setting;

E. Evidence that appropriate treatment in a less restrictive environment has not been successful or is not available, therefore warranting a higher level of care; and

F. Member agrees to participate in treatment. In the case of minors, family/guardian/designated representative also agrees to and participates as part of the treatment team.
Behavioral Health Residential Facility
Continued Stay Overview

AMPM Policy 320-V
BHRF Criteria for Continued Stay

Continued stay shall be assessed by the BHRF staff and as applicable by the Child and Family Team (CFT), Adult Recovery Team (ART), Tribal Regional Behavioral Health Authority (TRBHA) during the Treatment Plan review and update.

Progress towards the treatment goals and continued display of risk and functional impairment shall also be assessed.

Treatment interventions, frequency, crisis/safety planning, and targeted discharge shall be adjusted accordingly to support the need for continued stay.
BHRF Criteria for Continued Stay

The following criteria shall be considered when determining continued stay:

- The member continues to demonstrate significant risk of harm and/or functional impairment as a result of a Behavioral Health Condition.
- Providers and supports are not available to meet current behavioral and physical health needs at a less restrictive lower level of care.
- BHRF request for a Continued Stay should be submitted to PA at least two weeks prior to the last approved prior authorized date of the BHRF stay.
The following criteria shall be considered when determining continued stay (continued)

- The Prior authorization online portal does not allow changes to a prior authorization that has been changed from a “Pend” to an “Approved” status by the PA team.
- A request to extend the current authorization can be done by using the AHCCCS Online Provider Portal. To update go to a Prior Authorization Tab along the Menu and search for the Prior Authorization Case. Select the appropriate Case/PA number and then click on the “Attachment” tab.
- Include all documents that support the continued stay request; the dates of services, make sure all documents are signed and dated by the appropriate BHS professional(s) and scanned into your electronic device or computer to upload to the prior auth.
Behavioral Health Residential Facility Discharge Readiness Overview

AMPM Policy 320-V
E. Discharge Readiness

BHRF services provided to Fee for Service (FFS) members are required to adhere to the minimum discharge elements below.

• Important: Discharge planning shall begin at the time of admission.

R9-10-101 Definition – “Discharge planning” means a process of establishing goals and objectives for a patient in preparation for the patient’s discharge. Discharge readiness shall be assessed by the BHRF staff and as applicable by the Child and Family Team (CFT), Adult Recovery Team (ART), Tribal Regional Behavioral Health Authority (TRBHA) during each Treatment Plan review and update.
E. Discharge Readiness (continued)

The following criteria shall be considered when determining discharge readiness:

• Symptom or behavior relief is reduced as evidenced by completion of Treatment Plan goals.

• Functional capacity is improved; essential functions such as eating or hydrating necessary to sustain life has significantly improved or is able to be cared for in a less restrictive level of care.

• Member can participate in needed monitoring or a caregiver is available to provide monitoring in a less restrictive level of care.

• Providers and supports are available to meet current behavioral and physical health needs at a less restrictive level of care.

PMMIS System Update: BHRF Provider Type B8 (only) - 07/15/2019 Notification

HCPCS CODES

• H0031 – Mental Health Assessment by non-physician.
• H2019 – Therapeutic behavioral services, per diem.

NOTE: This is not representative of a policy or billing change, and is only a system update.
Important: Effective 07/15/2019 AHCCCS Administration has closed HCPCS codes H0031 and H2019 for the Behavioral Health Residential Facility (BHRF), Provider Type B8 in our system.

It previously came to AHCCCS’ attention that HCPCS codes H0031 (MENTAL Health Assessment, by non-physician) and H2019 (Therapeutic Behavioral Services, per 15 minutes) were being submitted by Behavioral Health Residential Facilities (Provider Type B8), in addition to the BHRF per diem HCPCS code H0018.

• BHRFs receive a per diem rate for the provision of behavioral health services, and per policy, the per diem rate includes Mental Health Assessment and Therapeutic Behavioral Services as part of that rate.
If there are circumstances in which other medically necessary specialized services are required, that cannot be performed by the BHRF, these services are to be billed by the provider/facility who performed the service and should not be billed by the BHRF.

The specialized service(s) type, and the name of the provider rendering these services must be included in the member’s treatment/service plan.

This is not representative of a policy or billing change, and is only a system update. For additional information please review [AMPM Policy 320-V, Behavioral Health Residential Facilities](#).

Personal Care Services Policy 9 A.A.C. 10
Article 7
Behavioral Health Residential Facilities
Personal Care Services

Effective for dates of service 10/1/2019 - Behavioral Health Residential Facilities (BHRFs) that are also licensed through the Arizona Department of Health Services (ADHS) to provide personal care services may begin billing for H0018 (Behavioral health; short term residential, without room and board, per diem) with the TF modifier for personal care services.

Services that may be provided under Personal Care Services may include (but are not limited to) blood sugar monitoring, bed baths, application and care of prosthetic and orthotic devices, use of pad lifts, respiration monitoring, catheter care, etc.

• Providers should view AMPM Policy 320-V section H for additional information about BHRFs and Personal Care Services.
An administrator of a behavioral health residential facility that is authorized to provide personal care services shall ensure that:

• Personnel members who provide personal care services have documentation of completion of a caregiver training program that complies with A.A.C. R4-33-702(A)(5);

• Residents receive personal care services according to the requirements in R9-10-814(A), (D), (E), and (F); and

• A resident who has a stage 3 or stage 4 pressure sore is not admitted to the behavioral health residential facility.
H. BHRF with Personal Care Services

- BHRFs licensed to provide Personal Care Services shall offer services in accordance with A.A.C R9-10-702 and A.A.C R9-10-715. Contractors and BHRF providers shall ensure that all identified needs can be met in accordance with A.A.C. R9-10-814 (A)(C)(D) and (E). Some examples of services are; blood sugar monitoring, application and care of orthotic and prosthetic devices, application of topical medications, use of pad lifts, respiration and radial pulse monitoring.

- Refer to the AMPM Policy 320-V Section H for a list of examples of services that may be provided as Personal Care Services.
  
Behavioral Health Residential Facility and Personal Care Services

Any member receiving personal care services must have had an assessment by a medical provider indicating that the member’s condition requires assistance with personal care.

Reminders:

• BHRF must be licensed by Arizona Department of Health Services (ADHS) to provide personal care services.
• The need for personal care services must be documented in the member’s assessment and service/treatment plan and identify the specific personal care services required by the member.
• HCPCS code H0018 with the TF modifier (intermediate level of care).
Claim Submission
BHRF Claim Submission

- Care and Services provided in a BHRF are based on a per diem rate (24 hour day). Prior and continued authorization do not include room and board.

- Criteria for admission and continued stay will be detailed in the new [AMPM Policy 320-V – Behavioral Health Residential Facilities](#).
  - **Form Type:** CMS 1500 Professional Form
  - **HCPCS Code:** H0018
  - **Modifier:** TF may be billed only when the BHRF is licensed by ADHS for personal care services and the services are included in the member’s service plan.
