

302 – COST SETTLEMENT FOR CORONAVIRUS DISEASE OF 2019 VACCINE

EFFECTIVE DATES: 10/01/21, 03/01/22, 10/01/22, 10/01/23

APPROVAL DATES: 08/03/21, 01/24/22, 05/12/22, 08/01/23, 12/21/23

I. PURPOSE

This Policy applies to ACC, ACC-RBHA, ALTCS E/PD, DCS/CHP (CHP), and DES/DDD (DDD) Contractors. This Policy establishes requirements for cost settlement for Coronavirus Disease of 2019 (COVID-19) vaccine costs and Vaccine Administration Costs for October 1, 2021, to September 30, 2024 (Contract Year Ending [CYE] 22, CYE 23, and CYE 24 only). The Contractor is not contractually at risk for the cost of the vaccine or the Vaccine Administration Costs during CYE 22, CYE 23, and CYE 24. The anticipated costs have not been included in the CYE 22, CYE 23, or CYE 24 capitation rates; therefore, the Contractor will be provided payment via cost settlement as delineated in this Policy.

II. DEFINITIONS

For purposes of this Policy, the following terms are defined as:

CONTRACT YEAR	For AHCCCS Contractors and Fee-For-Service (FFS) Programs, the contract year runs from October 1 through September 30.
CONTRACTOR	An organization or entity that has a prepaid capitated Contract with AHCCCS pursuant to A.R.S. § 36-2904, A.R.S. § 36-2940, A.R.S. § 36-2944, or Chapter 34 of A.R.S. Title 36, to provide goods and services to members either directly or through subcontracts with providers, in conformance with contractual requirements and Federal and State law, rule, regulations, and policies.
MEMBER	An eligible individual who is enrolled in AHCCCS, as specified in A.R.S. § 36-2931, § 36-2901, § 36-2901.01 and A.R.S. § 36-2981. Also referred to as Title XIX/XXI member or Medicaid member. When applicable, MEMBER may also or alternatively refer to an enrolled individual's health care decision maker (HCDM) or designated representative (DR).
PREMIUM TAX	The tax imposed pursuant to A.R.S. § 36-2905 and A.R.S. § 36-2944.01 for all payments made to the Contractor for the Contract year.
VACCINE ADMINISTRATION COST	The cost of administering the vaccine. This is the cost of administering the COVID-19 vaccine using the CMS 1500 medical form, in the 837P format or through the point-of-sale (POS) system.

VACCINE COST

The cost of the vaccine. This is the cost of the COVID-19 vaccine using the CMS 1500 medical form, in the 837P format or through the point-of-sale (POS) system. Prior to September 11, 2023, the COVID-19 vaccines were provided at no charge from the Federal government. After September 11, 2023, the vaccine cost will also be cost settled at the lesser of the Medicare Average Sales Price (ASP) file rate or the amount paid by the Contractor to the provider.

III. POLICY

A. GENERAL

This cost settlement shall relate solely to COVID-19 vaccine cost and Vaccine Administration Costs made by the Contractor for Title XIX and Title XXI members using the following list of approved Current Procedural Terminology (CPT) and National Drug Codes (NDC) codes. State only members shall not be included in this reconciliation.

The following CPT will be used for all vaccines not provided in a pharmacy. If the code has an asterisk (*) next to it, it is not currently approved for use or not covered.

B. AHCCCS RESPONSIBILITIES

1. AHCCCS/Division of Business Finance (DBF) shall pull fully adjudicated and approved encounters with only the CPT and NDC codes listed above. These pulls shall be made based on the following schedule:

	CYE 22	CYE 23	CYE 24
Pull #1	March 2022	March 2023	February 2024
Pull #2	September 2022	September 2023	May 2024
Final Pull	September 2023	September 2024	September 2025

The cost settlement shall be conducted and payments, including Premium Tax, shall be made after each data pull. The cost settlement shall be conducted multiple times to identify and settle any Vaccine Costs and Vaccine Administration Costs not previously settled. All COVID-19 encounters adjudicated and approved after the September 2023, September 2024, and September 2025 data pull, shall not be cost settled and shall not be included in any reconciliations or other cost settlements for their respective contract years. AHCCCS does not intend to separately cost settle COVID-19 vaccines for CYE 25 (October 1, 2024 to September 30, 2025) and later.

2. AHCCCS shall provide the Contractor the data supporting the cost settlement and provide written notice of the deadlines for review and comment by the Contractor. Upon completion of the review period, AHCCCS shall evaluate Contractor comments and make any adjustments to the data as warranted. AHCCCS shall then process a payment based on the total amount paid for COVID-19 vaccinations less the previous payments made including premium tax. Refer to Attachment A for an example cost settlement.
3. AHCCCS shall reimburse the Contractor the lesser of the amount paid by the Contractor to the provider, or the Fee-For-Service (FFS) rates in effect at the time of the vaccine administration for the Vaccine Cost and Vaccine Administration Costs. After September 11, 2023, AHCCCS shall also reimburse the Contractor the lesser of the amount paid by the Contractor to the provider, or the Medicare ASP file rate for the cost of the vaccine. All cost settlements to the Contractor shall include premium tax.

C. CONTRACTOR RESPONSIBILITIES

1. The Contractor shall submit encounters for COVID-19 Vaccine Costs and Vaccine Administration Costs and those encounters shall reach fully adjudicated and approved status by the date required by AHCCCS. AHCCCS shall only utilize fully adjudicated and approved encounters reported by the Contractor to determine the cost settlement.
2. The Contractor shall maintain financial statements that separately identify COVID-19 cost settlements as required by Contract and in the format specified in the AHCCCS Financial Reporting Guide.
