III. POLICY

A. CHANGE IN CONTRACTOR ORGANIZATIONAL STRUCTURE

A change in Contractor Organizational Structure shall require notification and prior approval of AHCCCS. When submitting for prior approval or upon State Agency Reorganization, AHCCCS will review documentation to ensure the following:

1. Uninterrupted services and ongoing adequate access to care and choice for members.

2. The new entity’s ability to maintain and support the Contract requirements including the commitments in the proposal submitted to AHCCCS during the procurement process.

3. Major functions of the Contractor’s organization, as well as AHCCCS programs, are not adversely affected.

4. The integrity of a fair, competitive AHCCCS procurement process for Managed Care Contracts, which is one of the core founding principles of the AHCCCS program.

AHCCCS reserves the right to obtain stakeholder input on the proposed ownership change through a public notice and feedback process. AHCCCS reserves the right to temporarily suspend a Contractor’s new member enrollment including, but not limited to, auto-assignment pending AHCCCS review and final determination regarding a Contractor’s Change in Organizational Structure. In addition, a Change in Organizational Structure may require a Contract amendment. If the Contractor does not obtain prior
approval, or AHCCCS determines that a Change in Organizational Structure is not in the best interest of the State, AHCCCS may terminate the Contract. AHCCCS may offer open enrollment to the members assigned to the Contractor should a Change in Organizational Structure occur. AHCCCS will not permit one organization to own or manage more than one Contract within the same line of business in the same GSA.

The Contractor shall submit a written notification to AHCCCS of any proposed Merger, Acquisition, Reorganization, or Change in Ownership 180 days prior to the effective date as specified in Contract. This notification shall include:

The affiliation agreement (also referred to as a member agreement) defines and governs the affiliate relationship, and
   b. Any proposed change to the Employer Identification Number/Tax Identification Number (EIN/TIN).
