III. POLICY

A. COUNTY AND DISTRICT DEFINITIONS

1. When a zip code crosses two different counties, AHCCCS assigns the zip code to one county for purposes of enrolling members with a Contractor. The Contractor is responsible for calculating compliance with the standards specified in this Policy. The county zip code assignments are identified in the AHCCCS Medical Assistance Eligibility Policy and identified here:

The split zip codes are assigned as follows:

B. **Statewide Time and Distance Network Standards**

For each county in the Contractor’s assigned service area, the Contractor shall have a network in place to meet time and distance standards specified below. If the Contractor delegates network activities, it shall ensure subcontractor compliance with applicable network standards.

Services identified as eligible for a telehealth standard modification only require 80 percent of a county’s membership to meet the time and distance standards where telehealth services are available for that provider category.

1. **Behavioral Health Outpatient and Integrated Clinic, Adult (All Contractors except CHP)**
   a. Maricopa, Pima - 90% of membership does not need to travel more than 15 minutes or 10 miles from their residence, and
   b. All Other Counties - 90% of membership does not need to travel more than 60 miles from their residence.

   The time and distance for these providers is measured using the Contractor’s population of members aged 18 years or older.

   This standard is eligible for a telehealth standard modification.

2. **Behavioral Health Outpatient and Integrated Clinic, Pediatric (All Contractors except RBHA Contractors)**
   a. Maricopa, Pima - 90% of membership does not need to travel more than 15 minutes or 10 miles from their residence, and
   b. All Other Counties - 90% of membership does not need to travel more than 60 miles from their residence.

C. OTHER STATEWIDE NETWORK STANDARDS

In addition to the time and distance standards specified above, the Contractor shall document a sufficient network to meet the service needs of its members based upon the minimum network requirements specified in Attachments A and B and as specified in Contract. If the Contractor delegates network activities, it shall ensure subcontractor compliance with applicable network standards.

1. Developmentally Disabled (DD) Group Home, Assisted Living Center (ALC) and Assisted Living Home (ALH)/Adult Foster Care (AFC) Network Standards
   a. ALTCS E/PD and DDD Contractors shall have contracts with a minimum number of ALC, ALH, and AFC providers as specified in Attachment A. The DDD Contractor shall have contracts with a minimum number of DD Group Homes as specified in Attachment A, and
   b. Attachment A includes a tab detailing the minimum network requirements in each for ALTCS E/PD and DDD Contractors. Network requirements include minimum contracts within a specific city or group of cities, contracts within specified distances to specific cities, or minimum contracts within a county. In certain instances, locations outside of a county’s boundary have been identified. This is to allow members to access services in the most geographically convenient location possible and to prevent members from traveling much greater distances to obtain care, but at the same time accommodate network availability in each county.

2. Multi-Specialty Interdisciplinary Clinic (MSIC) Network Standards
   a. The Contractor is expected to contract with all MSICs in the assigned Geographical Service Area (GSA)(s), as well as any MSICs which have provided services to the Contractor’s members, and
   b. The Contractor shall identify all contracted MSICs in Attachment A, including any multispecialty interdisciplinary care providers it has contracted with and the AHCCCS approval date.

3. Mobile Crisis Team Response Reporting Requirements
   a. The RBHA Contractor serving Maricopa County shall require mobile crisis teams to respond on site within an average of 60 minutes of receipt of the call,
   b. RBHA Contractors serving all other areas of the state shall require mobile crisis teams to respond on site within an average of 90 minutes of the receipt of the call, and
   c. The Contractor shall report in Attachment B the minimum, maximum, mean, and median response times in their Contracted area for each of the months in the reporting quarter.
D. NETWORK STANDARD REQUEST FOR EXCEPTION PROCESS

1. When the Contractor has exhausted its efforts to meet any network standard specified in this Policy, a Contractor may request an exception to the network standards as specified below. The request shall be submitted as specified in Contract and include the following required elements:
   a. The county or counties covered under the exception request,
   b. The provider types covered under the exception request,
   c. A geospatial analysis showing the current member access to the provider types and counties covered under the exception request,
   d. An explanation describing why the Contractor cannot meet the established network standard requirements,
   e. The Contractor’s proposal for monitoring and ensuring member access to services offered by the provider types under the exception request, and
   f. The Contractor’s plan for periodic review to identify when conditions in the exception area have changed, and the exception is no longer needed.

2. AHCCCS will review the exception request submitted and make a determination based upon criteria including, but not limited to the following:
   a. The total number of providers in the same specialty practicing in the county,
   b. The geographic composition of the county,
   c. Provider willingness to enter into a contract,
   d. The availability of IHS/638 facilities available to the American Indian population in the county,
   e. The availability of alternative service delivery mechanisms available, such as telemedicine, telehealth, or virtual or mobile services, and
   f. The Contractor’s proposal for monitoring and ensuring member access.

E. NETWORK OVERSIGHT REQUIREMENTS

1. Minimum Network Standards Reporting Requirements
   a. The Contractor shall submit a completed Attachment A reporting its compliance with the applicable standards in this Policy. Attachment A shall be submitted as specified in Contract. The Contractor shall report compliance with these requirements for each county in its assigned service area. A separate report shall be submitted for each line of business. For purposes of calculating and reporting this data:
      i. The Contractor shall use its enrollment and its network as of the last day of the reporting period (March 31 and September 30).
      ii. The Contractor shall report the percentages in Attachment A, ‘Time and Distance’ tab rounded to the nearest tenth of a percent,
      iii. The Contractor shall report ‘N/R’ (None Reported) for each time and distance standard, instead of a percentage, where there are no members meeting the population criteria in the county.
   b. The Contractor shall analyze compliance with these standards based upon the provider network reported through the Contractor Provider Affiliation
Transmission (PAT) and the Gap in Services Log. With the submission of Attachment A, the Contractor shall include a summary including, at a minimum, the following:
i. The Contractor strategies and efforts to address any areas of non-compliances,
ii. A summary of exceptions granted to the network standards specified in this Policy, and the results of the Contractor’s monitoring of member access to the services governed under the exception,
iii. A summary of counties where telehealth services are available for each of the following provider types:
   1) Behavioral Health Outpatient and Integrated Clinic, Adult,
   2) Behavioral Health Outpatient and Integrated Clinic, Pediatric,
   3) Cardiologist, Adult,
   4) Cardiologist, Pediatric,
   5) Primary Care Provider (PCP), Adult, and
   6) Primary Care Provider (PCP), Pediatric.
iv. (RBHAs Only) An assessment of the Contractor’s Mobile Crisis Team compliance with the response time requirements of the RBHA Contracts, addressing any patterns, trends, or corrective action taken.

c. As specified in Contract, DDD shall submit a completed Attachment A for each subcontracted health plan. In addition, DDD’s summary shall include an analysis of any areas of non-compliance by its subcontracted health plans with network standards specified in this Policy, including strategies and efforts to address areas of non-compliance.

2. Network Plan Requirements
