Members moving from an ALTCS LTC Institutional Setting to an Alternative HCBS Setting are not eligible for this service.

Requirements for the Community Transition Service include the following:

1. The member has been in an LTC Institutional Setting a minimum of 60 consecutive days regardless of ALTCS enrollment.

2. The member is within 30 days of being discharged into the community.

3. The LTC Institutional Setting discharge plan identifies needs and assistance for which the member has no other source or support to initiate reintegration.

4. Community Transition Service is not intended to supplant items or supports otherwise provided by the Contractor or other community resources.

5. The member’s needs shall be met in a timely manner and cannot be delayed in anticipation of receiving services from other sources, for example, when coordinating with other community sources for the provision of this service.

6. Disbursement of funds shall meet the following criteria:
   a. Funds are limited to a one time authorization of up to $2,000 per member, per five year period. The $2,000 includes all applicable administration fees. The five year timeframe is applicable regardless of changes in Managed Care Contractors or if the member transfers between FFS and Managed Care. It is the responsibility of the relinquishing Contractor or Tribal ALTCS programs for FFS members to notify the receiving Contractor or the receiving Tribal ALTCs program regarding use of
this service via the ALTCS Enrollment Transition Information (ETI) Form (see AMPM Policy 1620, Exhibit 1620-9),

b. Funds are available 30 days prior to the planned discharge date and remain available for 90 days from the date of discharge from an ALTCS LTC Institutional Setting. Exceptions may be allowable to this timeframe for partially expended funds and will be determined on a case by case basis. The Contractor shall contact its designated Operations and Compliance Officer for discussion and direction when an exception occurs. For FFS members, the Tribal ALTCS programs shall contact the AHCCCS Tribal ALTCS Unit for discussion and direction when an exception occurs. If the 120 day authorization period expires and there has been no expenditure of funds, the Contractor or Tribal ALTCS program shall terminate the authorization. The service may be reauthorized at a later date if all other requirements of this Policy are met, and
